

# Dear PA

## We like it when you...

**keep us informed**

and up-to-date about our entitlements

**engage and motivate us,**

help us to make full use of the service

**support us to achieve our**

**goals,** encourage our personal development and help us to reach our full potential

**help us settle,** support our integration into our community and become familiar with our surroundings

**give us the opportunity**

to discuss and provide feedback on the quality of care and services we receive

**build quality**

**relationships with us** by taking time to get to know us as individuals

**listen to us,** be there

for us when we tell you our problems

**ensure you take the time** to

work with us to develop quality pathway plans

**use your position**

**responsibly;** use the power to influence others, fight for us so we can improve our lives

**go the extra mile**

**for us,** show us your care, attend our achievements

**keep your promises,** if there

is something that has been agreed stick to it, where that is not possible, give us a full explanation

**help develop our independence**

help us to learn how to budget, cook, pay bills and live independently
