## Values

We are proud to do this by...

... being honest, fair and transparent when we make decisions

☛ **Facts about Coventry** helps provide sound evidence for the Council's decisions

Three-quarters (70%) agree that the Council treats all people fairly; 62% of residents surveyed agree that the Council is fair in its decision making; and over half (54%) think that the Council promotes the interests of local residents.

... working with residents, communities and partners to get things done

📱 The Council has developed a mobile application to help people plan and make the most of their 2012 Games experience
