Dear Sir/Madam,

RE: VR Permit Transfer Application – Murco Service Station

Please find enclosed the completed application form to transfer the vapour recovery permit at the site detailed within the application.

The transfer will need to take place from the 1st October 2014 and I would be grateful if you could send the amended permit to our Head Office address detailed above or via email to the address below. I will ensure a copy is sent to site on receipt.

Where possible please ensure 'Murco' is removed from the permit.

Should you require any further information or wish to discuss the transfer in more detail; please do not hesitate to let me know.

Yours Sincerely,

Kate Murphy
Group Operations Coordinator

Part B Transfer form
Application to transfer a permit

Local Authority Pollution Prevention and Control
Pollution Prevention and Control Act, 1999
Environmental Permitting (England and Wales) Regulations 2010

FS074

Introduction

When to use this form

This environmental permitting regime is known as and referred to as Local Authority Pollution Prevention and Control ('LAPPC'). Installations permitted under this regime are known as Part 'B' installations. Use this form if you already have a 'Part B' permit and wish to transfer the permit in whole or in part to another person ('the proposed transferee'). You may apply to transfer the whole or part of your permit. Under the Environmental Permitting (England and Wales) Regulations 2010 ('the EP Regulations'), both the operator and the proposed transferee must jointly apply to have the permit transferred.

Before you start to fill in this form

You are strongly advised to read relevant parts of the Defra general guidance manual issued for LA-IPPC and LAPPC, republished in March 2010 and available at

<http://www.defra.gov.uk/environment/quality/pollution/ppc/localauth/pubs/guidance/manuals.htm>. This contains a list of other documents you may need to refer to when you are preparing your application for the transfer of the permit, and explains some of the technical terms used. You will also need to read the relevant Process Guidance note. The EP Regulations can be obtained from The Office of Public Sector Information, or viewed on their website at http://www.opsi.gov.uk/legislation/about_legislation.htm.

Which parts of the form to fill in

You should fill in as much of this form as possible. The appropriate fee must be enclosed with the application for transfer to enable it to be processed further. When complete return to:

Other documents you may need to submit

You must submit your existing permit with this form. There are number of other documents you may need to send us with this application to transfer your permit. Each time a request for a document is made in the form you will need to record a document reference number for the document or documents that you are submitting in the space provided on the form for this purpose. Please also mark the document(s) clearly with your permit reference number and the name of the installation.

Using continuation sheets

In the case of the questions on the form itself, please use a continuation sheet if you need extra space; but please indicate clearly on the form that you have done so by stating a document reference number for that continuation sheet. Please also mark the continuation sheet itself clearly with the information referred to above.

Copies - *not relevant for e-applications*

You do not need to send multiple copies of this form, consultation is not required to transfer a permit.

If you need help and advice

We have made the form as straightforward as possible, but please get in touch with us at the local authority address given above if you need any advice on how to set out the information we need.
