

Chatter Cards

Name
Things

Chatter Cards are designed to be taken with you when you are out and about. You could take them on the bus, attach them to the pushchair using the silver ring, or keep them in your bag.

You can take cards on and off the ring, make and add your own cards, or stick them on the fridge to remind you to take time to talk today!

Be careful that the silver ring is closed properly so that it can't hurt your child.

These Chatter Cards give you something to talk about and get your child's brain working! They help children's speech & language development by supporting them to understand why things are grouped together or 'categorised'.

If you would like some advice or support about a child's speech & language development, please contact your local Family Hub.
