

Chatter Cards

A cartoon illustration of two children, a girl on the left and a boy on the right, both smiling and holding a large white sign with a black border. The girl has dark curly hair and is wearing a green shirt. The boy has short brown hair and is also wearing a green shirt. The sign is centered between them and contains the text 'Things to do in Coventry' in orange.

Chatter Cards are designed to be taken with you when you are out and about. You could take them on the bus, attach them to the pushchair using the silver ring or keep them in your bag.

You can take cards on and off the ring, make and add your own cards, or stick them on the fridge to remind you to take time to talk today!

Be careful that the silver ring is closed properly so that it can't hurt your child.

There are lots of things to see and do with young children in Coventry.

To help children develop good communication skills, they need to hear and understand a rich vocabulary in real life situations, being out and about encourages conversation and helps children learn new words. Each card has some words on, to use at the different landmarks.

If you would like some advice or support about a child's speech & language development, please contact your local Family Hub.
