

Accessing Corporate Mandatory Training

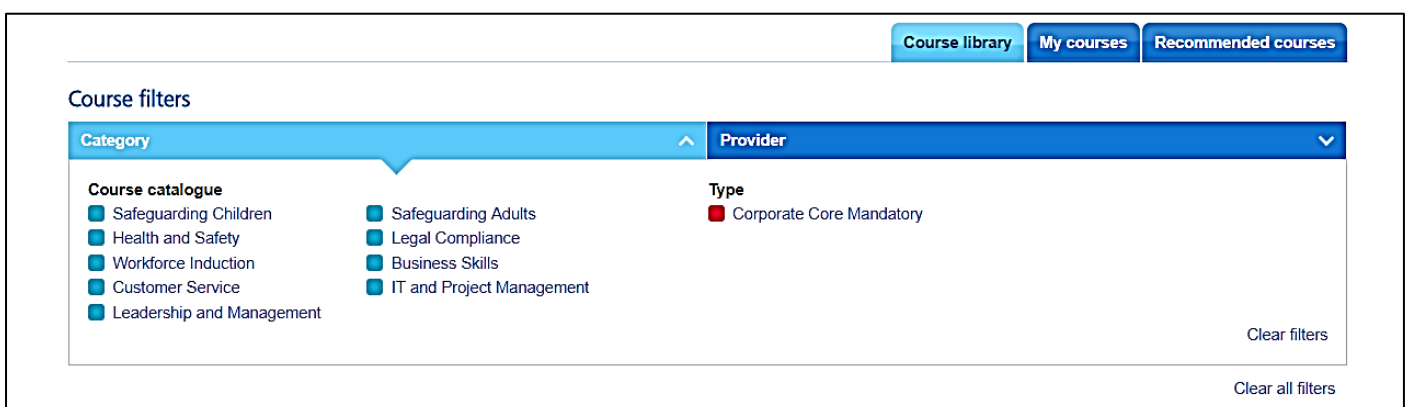

Once you have logged in to the Online Learning platform, you will be able to access courses via the Course Library.

Mandatory Training courses will be listed in this area.

To access Mandatory training courses, please follow these steps:

- Select 'Course Library'
- Under 'Course Filters', click 'Category'
- Select 'Corporate Core Mandatory'

Your Mandatory Training courses will then be visible at the bottom of the page.

The courses will be listed as individual courses, and not as one 'condensed mandatory training'
