Due to the low number of placements, we are unable to provide the answers to questions 8, 9 and 10 as it could be used to identify the individuals involved.

Therefore, this information is exempt under section 40 (2) of the FOIA. This exemption covers the personal data of third parties (anyone other than the requester) where complying with the request would breach any of the principles in the Data Protection Act.

This has been done as the Council considers that this information meets the definition for personal data set out in Section 3(2) and 3(3) of the Data Protection Act 2018 ("DPA") as:

*(2) "personal data means any information relating to an identified or identifiable living individual (subject to subsection (14)(c))"*

*(3) "Identifiable living individual" means a living individual who can be identified, directly or indirectly, in particular by reference to –*

(a) *an identifier such as a name, an identification number, location data or an online identifier, or*

(b) *one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of the individual.”*

The Council thus considers that the requested information is caught by the exemption to disclosure contained in Section 40 (2) of the FOI Act and the related first condition of Section 40 (3).

This is an absolute exemption and there is therefore no requirement to consider the public interest.

The supply of information in response to a freedom of information request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission.
