Dear Sir/Madam

**Freedom of Information Act 2000 (FOIA)
Request ID: REQ05021**

Thank you for your request for information relating to pedestrian crossings.

Your request and our responses are outlined below:

I am looking into finding out about the location of pedestrian crossings in Coventry Council. Please could you provide me with the following:

1) A list of all the different pedestrian crossings within Coventry Council boundaries. Including the location of all formal crossings: Zebra, Toucan, Pegasus, Staggered Pelican/Puffin and Toucan crossings.

Please see below*.

2) Information on the type of tactile paving used at each site.

The tactile paving at these sites is red, blistered 'L' shaped tactile paving as detailed in the 'Guidance on the use of Tactile Paving Surfaces'. To assist you further please see the following weblink - <https://assets.publishing.service.gov.uk/government/.../tactile-paving-surfaces.pdf>

3) A list of all lowered kerbs in the Coventry Council district. Showing the location of each and paying particular attention to the ones intended for use as pedestrian crossing points.

Please see below*.

4) The above would ideally include the use of the Geo-coordinate system information of each site, but also the street name and location.

Please see below*.

Further to the responses to questions 1 and 4, we can confirm that we do not hold the information in the format you have requested above and therefore we are advising you as per Section 1(1) of the Act.

The information will be used to provide a complete map of the District to aid in the navigation of Coventry Council for people with limited mobility or requiring the use of a wheelchair.

*In response to questions 1, 3 and 4, please see the attached document “Coventry Pedestrian Crossings” and “Coventry Zebra Crossings – School Patrol”.
