Dear Sir/Madam

**Freedom of Information Act 2000 (FOIA)
Request ID: REQ06075**

Thank you for your request for information relating to Tree Preservation orders

Your request and our responses are outlined below:

I'm writing under Freedom of Information legislation to request a complete up-to-date dataset of Tree Preservation Orders (TPOs) in force within the boundaries of your local authority area, which includes locational data and associated metadata.

Please release this information in one of the following file formats in order of preference:

- 1. KML file;**
- 2. Shapefile;**
- 3. CSV or Excel file.**

- We've checked data.gov.uk and an up-to-date, downloadable version of your TPO dataset does not appear to be available in these formats.**
- If this information is available publicly via another means (such as via your council website), please send us a link to where this dataset can be downloaded, in one of the file formats requested.**
- In keeping with the Open Knowledge Foundation's definition of open data we're seeking raw, reusable data - rather than a link to online portals through which the data can be viewed - so we'd rather not receive it in the following formats unless it's otherwise unavailable:**

We can confirm that we hold this information and it is accessible to you via the Council's website on the following link:-

<http://maps.coventry.gov.uk:8010/connect/analyst/mobile/#/main?mapcfg=planning>

We therefore do not have to provide the information as per Section 21 of the FOIA. The information is not available in any of the file formats listed.

The supply of information in response to a freedom of information request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs. Please contact us if you wish to use the information for any other purpose.

Should you wish to make any further requests for information, you may find what you are looking for is already published on the [Council's web site](#) and in particular its FOI/EIR [Disclosure log](#), [Council's Publication Scheme](#), [Open Data](#) and [Facts about Coventry](#).

If you are unhappy with the handling of your request, you can ask us to review our response. Requests for reviews should be submitted within 40 days of the date of receipt of our response to your original request – email: infogov@coventry.gov.uk

If you are unhappy with the outcome of our review, you can write to the Information Commissioner, who can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or email casework@ico.org.uk.

Please remember to quote the reference number above in your response.

Yours faithfully
