Dear Madam

**Freedom of Information Act 2000 (FOIA)
Request ID: REQ06276**

Thank you for your request for information relating to Highway Parking Sensors.

Your request and our responses are outlined below:

1. The total numbers of sensors installed in Coventry to date.

Currently 514 sensors installed.

2. The total numbers of sensors expected to be installed in Coventry by the end of the calendar year.

We expect an additional 100-200 sensors to be installed in Coventry this year. (c.100 on P&D bays and 90 on EV bays).

3. The Risk Assessment for the installation and use of the sensors.

Sensor installation Risk Assessment, please see the attached document.

4. Any road safety audits specifically relating to the installation of the sensors.

Our sensors comply with European Standard (BS EN1463) for non-depressed studs installed in the highway and comply within the prescribed maximum height of 20mm. The sensor has a textured surface which provides high skid resistance in all weathers. The texturisation follows industry standard Polycarbonate moulding guidelines for outdoor environments.

5. The Equality Impact Assessment for the installation and use of these sensors in the highway.

The system does not have a negative impact on any of the protected characteristics as described in the Equality Act 2010. The app provides further flexibility in terms of understanding parking restrictions and can help all users find a space.

6. The total number of incidents resulting in damage or injuries that have been reported to Coventry City Council to date which have been caused by, or the sensors have contributed to, their arising.

None - this is true for all AppyParking sensor installations nationally.

The supply of information in response to a freedom of information request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs. Please contact us if you wish to use the information for any other purpose.

Should you wish to make any further requests for information, you may find what you are looking for is already published on the Council's web site and in particular its FOI/EIR Disclosure log, Council's Publication Scheme, Open Data and Facts about Coventry.

If you are unhappy with the handling of your request, you can ask us to review our response. Requests for reviews should be submitted within 40 days of the date of receipt of our response to your original request – email: infogov@coventry.gov.uk

If you are unhappy with the outcome of our review, you can write to the Information Commissioner, who can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or email casework@ico.org.uk.

Please remember to quote the reference number above in your response.

Yours faithfully
