Dear Sir

Freedom of Information Act 2000 (FOIA) Request ID: REQ07314

Thank you for your request for information relating to Economic impact that Motofest has on Coventry

Your request and our responses are outlined below:

As part of the research we would like to determine whether or not the council saw in increase in revenue and transactions from street, surface and multi-storey car parking facilities within the city centre during the dates the festival took place.

We are specifically measuring the impact in 2019 so would require data pertaining to this year.

Our intention is to compare the data from the weekend of the event to all other weekends within the a two month period, before and after the event, to calculate the average percent change in parking revenue and transactions.

The date the festival took place in 2019 was the 1/06/2019 - 02/06/2019.

Please see the attached spread sheet in response to this FOI request.

The spread sheet shows the amount of parking income collected in the 8 weeks before and after Motofest 2019.
