

# DRIVER INFORMATION DOCUMENT 044 (HACKNEY CARRIAGE & PRIVATE HIRE)

## INTRODUCTION

The information in this document is intended to help you in applying for and renewing a hackney carriage or private hire driver's licence. It also contains information you need in order for you to work effectively and legally as a hackney carriage or private hire driver. Please read it before filling in an application form and retain it for future reference. A new copy (including any changes) will be given to you each time you apply for a licence; you are advised to read it.

The Local Government Association (LGA), the representative body for local councils, has commissioned a new National Register of Refusals, Revocations and Suspensions (NR3S) hosted by the National Anti-Fraud Network (NAFN). This register is to prevent applicant drivers dishonestly securing a licence without disclosing their previous history.

The information recorded on the NR3S Register is limited to; name, date of birth, address and contact details, national insurance number, driving licence number, decision taken, date of decision and effective date of decision. This data will not go back beyond 11 years.

All the information recorded and access to it will be undertaken in accordance with the Data Protection Act (DPA) and the General Data Protection Regulations (GDPR) and you have the right to access your data; the right to rectification or erasure of your data; the right to restrict processing of your data, and the right to object to the processing of your data for this purpose. The authority will consider any such requests and respond within one month.

If you wish to raise any issue related to the data protection legislation you can do so by contacting the Data Protection Office at Coventry City Council ([infogov@coventry.gov.uk](mailto:infogov@coventry.gov.uk)). You always have a right to make a complaint to the Information Commissioner's Office.

If a refusal or revocation decision is under appeal, then on a successful decision to overturn the refusal/revocation at the Magistrates'/Crown Court your details will be removed, unless the appeal process is still ongoing.

The main reason councils are given the responsibility of licensing both the hackney carriage and private hire trades is to protect the public. The procedures you are required to follow exist to show that you are a 'fit and proper person' to hold a licence.

You should be aware that you cannot legally drive a hackney carriage or private hire vehicle for hire and reward until you have completed all licensing procedures and been granted a driver's licence and an identity badge or if your licence has expired. If you want to drive both hackney carriage and private hire vehicles, you will need to hold a licence and badge for both types of vehicle.

A licensed hackney carriage or private hire driver may rent a licensed vehicle from a proprietor or have their own. If you wish to have your own hackney carriage or private hire vehicle you should read the 'Vehicle Proprietors Information Document 054' available from the Taxi Licensing Office (TLO). **DO NOT buy a vehicle** until you have read the 'Vehicle Proprietors Information Document 054', because it contains information on what type and model of vehicles are allowed to be licensed in Coventry and types/availability of licences. You are advised to find out if a licence/licensed vehicle is likely to be available for you when you get your hackney carriage or private hire driver's licence.

Information, policies and procedures referred to in this document may have changed since publication. Please be aware that you will be required to conform to current requirements even if different to those printed in this document.

If you do not understand any part of this document or have any suggestions/comments, please contact the TLO.

Whilst this document is subject to regular checking and review, Coventry City Council does not accept liability for any loss or expense incurred as a consequence of any inaccuracies/mistakes in the information that may be contained in this document.

Information is also available on Coventry City Council's web site at [www.coventry.gov.uk/taxilicensing](http://www.coventry.gov.uk/taxilicensing)

- **If you have held a HC/PH driver's licence but it has been expired for 6 months or less**, you need to apply for a 'Re-Grant' licence. Please refer to the section 'Applying for a Re-Grant of a Driver's Licence'.

### **Applying for a 'First Grant' of a Driver's Licence**

'First Grant' is the procedure used when you apply for a licence for the first time (or when you apply for a licence and its more than 6 months since your last licence expired). Information, policies and procedures referred to in this document may have changed since publication. **Please be aware that you will be required to conform to current requirements even if different to those printed in this document.**

### **Things you will need to have and do (in brief)**

There are several things you will need to have and do to get a HC and/or PH driver's licence. The following is a brief summary of them; they are explained in more detail later. Also, you are advised to find out if a licence/licensed vehicle is likely to be available for you when you get your hackney carriage or private hire driver's licence. You must ensure that you have employment status to work in the UK and are not on restricted hours as if it is subsequently found that you cannot legally work or are on restricted hours then no refunds to any applications or courses/tests booked will be made.

You need to:

- Have been authorised to drive a car in the UK (e.g. held a full driving licence issued by a state in the European Economic Area) for a minimum of one year and hold a current DVLA UK photocard style driver's licence.
- Have lived in the UK for a continuous period of 5 years. If you have not lived in the UK for 5 years you will be asked to supply additional documents. (See '*Guidelines on Assessing the Suitability of First Grant Applicants who have not Lived in the UK for a Continuous Period of 5 years*' in Contents).
- Make an application by filling in several forms. (See '*Making an Application*' below).
- Apply for an online DBS (CRB) enhanced disclosure. (See '*Disclosure & Barring Service (DBS) applying for an enhanced disclosure*' in Contents).
- Apply for a DVLA Driving entitlement enquiry. (See '*Applying for a DVLA Driving entitlement enquiry*' in Contents).
- Apply for an Immigration Share Code.
- Attend for a short interview with an officer at the Taxi Licensing Office (TLO).
- Attend a one-day 'Driver Training Course' and pass a test at the end of the course. (See '*Driver Training Course*' in Contents). *Your Communication & Numeracy will also be tested on this*
- Pass a test on how well you know Coventry. (See '*Road Knowledge Test*' in Contents – *Hackney Carriage Drivers only*)).
- Pass a test on your driving ability. (See '*Driving Test*' in Contents).
- Pass a test on putting a wheelchair into a hackney carriage vehicle. Hackney carriage licence only. (See '*Driving Test*' and '*Wheelchair Test*' in Contents).
- Pass a medical. (See '*Medical Requirements*' in Contents).
- Pay the fees e.g. Licence Application, Licence Issue, DBS disclosure, DVLA Driving entitlement enquiry, Driver Training Course, Road Knowledge Test, Driving Tests and Medical. (See '*Fees, Charges and Refunds*' in Contents).

Note: You are advised not to buy, rent or consider licensing a hackney carriage or private hire vehicle before you are granted and issued with a hackney carriage or private hire driver's licence and badge.

## **Making an Application**

- 1.1 Please read this document before starting your application.
- 1.2 Before anything else complete the DBS (CRB) online Application Form. *(See 'Disclosure & Barring Service (DBS) applying for an enhanced disclosure' in Contents).*
- 1.3 Complete pages 1, 2 & 3 of the Application Form 1A or 2A. If you wish to apply for both a HC and PH driver's licence, you are advised to first complete a HC application form and when you are informed that you will be granted a HC driver's licence then you should apply for a PH driver's licence. The application form must be filled in by yourself and NOT by someone on your behalf. Do not forget to enter ALL your convictions and cautions.
- 1.4 Apply online to obtain a DVLA enquiry code (see page 15).
- 1.5 Ensure that you have three forms of identity document to support your application *(See 'Disclosure & Barring Service (DBS) applying for an enhanced disclosure' in Contents).*
- 1.6 Bring the following to the TLO:  
*(Please check office opening times)*
  - The Application Form 1A for hackney carriage and/or Form 2A for private hire;
  - The licence application fee (non-refundable);
  - The proof of identity documents for the DBS (CRB) application;
  - The DBS code;
  - The DVLA Driving entitlement code;
  - The Immigration code (if no British Passport held);
  - The DVLA Driving entitlement enquiry fee (non-refundable);
  - DBS fees (non-refundable);
  - 4 identical colour passport size photographs of you (other specifications must be to the same standards required for a passport);
  - Your DVLA UK photocard style driver's licence.
- 1.7 All the documents presented to us must be fully completed and the information must be accurate i.e. in the same surname (last name), first names, address, date of birth, National Insurance number etc.
- 1.8 Your application cannot be accepted if you do not provide all the required documents, information and application fee.
- 1.9 Before your application can be processed you will be required to attend for an interview with an officer at the TLO to go through you application. It may be possible to have this interview at the time you submit your application. If an officer is not available an appointment will be arranged.
- 1.10 The request for a DVLA Driving code check and the DBS (CRB) application will be implemented within days of your interview if no issues are raised in the interview which need addressing first.
- 1.11 We will now process your application. This can take several weeks depending on the following:
  - How long the results of your DBS (CRB) enhanced disclosure application takes to be returned to you. A copy of the DBS disclosure certificate is no longer sent to the TLO. Therefore, when you have received your copy, if there is any information recorded on it (e.g. convictions, cautions, other relevant information) it will need to be brought to the TLO. At this time you could enquire on the progress of your application. We will then inform you of progress and what to do next.
- 1.12 You can book the road knowledge test, driver training course, driving test or medical before a conditional decision to grant you a licence is made, but these fees are generally not refundable if for some reason your application is refused by Committee. If your application has to be presented to the Committee, for a decision to grant, or refuse to grant you a licence, you will be informed in writing. We will tell you why you need to go to the Committee and the procedure that will be followed. This procedure will delay your application. For guidance on whether your application is likely to be presented to the Committee, please refer to 'Committee' in the content page.

- 1.13 You can then book the road knowledge test and driver training course. You can take the driving test, wheelchair test (HC drivers only), medical and any remaining parts of the application procedure although you are advised to complete these in the order set out above. However, if you have a medical condition that may affect your suitability to be licensed, you may wish to take the medical first, before incurring other costs. The TLO will not accept responsibility for any costs you may incur.
- 1.14 Your application will be complete when we have received and you have supplied or successfully completed the following:
- The Application Form 1A for hackney carriage and/or Form 2A for private hire;
  - Your DVLA UK photocard style driver's licence;
  - 4 identical colour passport size photographs of you (other specifications must be to the same standards required for a passport);
  - The DBS (CRB) enhanced disclosure application process including DBS code;
  - Submitted your DVLA driving licence code;
  - Submitted your Immigration code (if no British Passport held);
  - Driver Training Course and Test;
  - The Road Knowledge Test (HC applicants only);
  - A Coventry City Council driving test pass certificate;
  - A Coventry City Council wheelchair test pass certificate (HC applicants only);
  - A medical 'Certificate of Fitness 009' from a Medical Practitioner;
  - All fees.
- 1.15 If your DBS (CRB) disclosure or DVLA Driving entitlement check is over 6 months old before a licence is issued you may be required to repeat them and pay the applicable fees.
- 1.16 Your application will normally be discontinued if you have not completed the application process, or have completed the application process but not taken up a licence, within 12 months of application. Any fees paid will not be refunded. If you think your application is likely to take longer than 12 months you must contact the TLO in writing and ask for an extension to be considered.
- 1.17 When you have completed all that is required and we have completed all the enquiries and procedures and if a decision has been made to grant a licence you will need to come to the TLO to be issued with a licence and identity badge. Before coming to the TLO you are advised to contact us to check that there are no issues that would prevent a licence being issued. However, before the licence is issued you will be required to again present your DVLA UK photocard style driver's licence, sign the 2<sup>nd</sup> declaration on your application form confirming that the information contained in it is up to date and accurate and pay the licence issue fee.
- 1.18 If you are issued with a private hire driver's licence you will be given a photocopy of your licence certificate and identity badge, which you must hand to your operator. If you are issued with a hackney carriage driver's licence you may request a photocopy of your licence certificate and identity badge.
- 1.19 Please ensure you understand all that is required of you, especially that contained in the section 'Legal and Conditions of Licence Information'. If you do not understand a question, procedure, or requirement please contact the TLO assistance.

### **Applying for a 'Renewal' of a Driver's Licence**

'Renewal' is the procedure used when you apply for a licence before your current one expires.

#### **Applications for renewal can only be accepted if your current licence has not expired.**

If you allow your licence to expire, no matter what the reason, it cannot be renewed. A licence that has expired does not exist, therefore, cannot be renewed. A licence cannot be extended, except for any reason that may be stated on the current licence certificate. If your licence has expired (even by less than 1 day) a new licence will not be granted immediately and it may take several weeks.

You normally cannot renew your licence earlier than one month before the expiry date. However, if you are likely to be unable to attend the Taxi Licensing Office (TLO) (e.g. because you are out of the UK) during the month before your licence expires and therefore wish to renew your licence early you will need to:

- a) provide proof of travel (e.g. E ticket or paper ticket) covering the whole month before your licence

expires or

- b) make a request in writing to the TLO stating that because you are likely to be unable to attend the TLO during the month before your licence expires you wish to renew your licence early.

If permission is granted for your licence to be renewed early you will be required to complete all procedures and be issued your licence before you leave/become unavailable. If you are unable to do this you will have to apply for a re-grant on your return, see below.

If your licence has been expired for 6 months or less, please refer to the section 'Applying for a Re-Grant of a Driver's Licence'. If your licence has been expired for more than 6 months, please refer to the section 'Applying for a First Grant of a Driver's Licence'.

NOTE: It is an offence to drive a hackney carriage or private hire vehicle if you do not hold a current hackney carriage or private hire driver's licence.

Information, policies and procedures referred to in this document may have changed since publication. Please be aware that you will be required to conform to current requirements even if different to those printed in this document. Therefore, please allow additional time to conform to any changes and do not leave renewing your licence until the last minute.

## **Making an Application**

- 2.1 Please read this document before starting your application.
- 2.2 **DO NOT DELAY**; you are strongly advised to apply to renew your licence no less than 3 weeks before the expiry date. However, you cannot renew your licence earlier than one month before the expiry date. If you delay applying to renew your licence, and a problem exists, we may be unable to accept your application or renew your licence before it expires. If you renew early the expiry date of your renewed licence will be dated to the expiry date of your last licence plus one year (i.e. you will not lose out by renewing early).
- 2.3 Unless you have previously attended a Childrens Sexual Exploitation (CSE) Training Course by a Coventry City Council approved trainer you are required to have booked and attended this course and must bring proof of your attendance (certificate or letter) to the Taxi Licensing Office with your renewal application unless the TLO confirm that they have a record of your driving.
- 2.4 You are required to have a DBS (CRB) check every 3 years or more frequently if considered necessary by the TLO. This will normally be at every third renewal of your licence. If you require a DBS (CRB) before anything else complete the DBS (CRB) online Application Form (See '*Disclosure & Barring Service (DBS) applying for an enhanced disclosure*' in Contents). If you have already subscribed to the DBS Update Service you will need to authorize the TLO to carry out a Status Check. You have two options below:
- If you have subscribed to the DBS Update Service you will need to complete the DBS Update Service Access Authorisation form 232 attached to this document giving approval to the TLO to carry out a Status Check.
  - If you have not subscribed to the DBS Update Service you will need to subscribe to the Update Service online at [www.gov.uk/dbs-update-service](http://www.gov.uk/dbs-update-service) . A copy of the DBS disclosure certificate is no longer sent to the TLO therefore, when you have received your copy if there is any information recorded on it (e.g. convictions, cautions, other relevant information) it will need to be brought into the TLO.
- 2.5 You are required to apply for a DVLA Driver Entitlement Enquiry (DVLA Enquiry) every 3 years. This will normally be at every third renewal and done at the same time as the DBS (CRB). However, the TLO may require a DVLA Enquiry at more frequent intervals.
- 2.6 After initially being granted a first hackney carriage or private hire driver's licence you will be required to successfully complete a Group 2 medical 5-yearly thereafter up to the age of 65; (and

annually thereafter). A Medical Practitioner is required to complete the medical assessment certificate (at the back of this document) and you must hand this into the TLO with your HC/PH driver renewal application form before your licence can be renewed. You may do this up to 8 weeks before the expiry date of your current licence. Do not leave it to the last minute and allow your licence to expire.

- 2.7 Complete pages 1, 2 & 3 of the Application Form 1B or 2B. The application form must be filled in by yourself and NOT by someone on your behalf. If you are unable to fill in the application form yourself you must inform the TLO. Do not forget to enter your convictions and cautions that you have not declared on previous application forms.
- 2.8 A HC/PH driver's licence normally cannot be renewed if you cannot produce your DVLA UK licence, or it is not in your current address, or it contains inaccuracies, or it is in a poor condition, or the TLO believe it may not be valid (If your licence is a photocard licence you must produce the photocard and the paper counterpart driving licence D740).

However, you may be able to renew your HC/PH driver's licence before obtaining a corrected replacement DVLA UK licence but only if a DVLA Driving entitlement enquiry is carried out. To do this you will have to fill in a DVLA Driving entitlement enquiry form and pay the DVLA Driving entitlement enquiry fee.

Normally a licence cannot be renewed until we have the results of the DVLA Driving entitlement enquiry or your DVLA UK licence is produced with all the inaccuracies corrected. In urgent cases we may be able to obtain some of the information we require by telephone from the DVLA. In order for the DVLA to give information to the TLO you must first telephone the DVLA Contact Centre on 0300 790 6801 and authorise the release of information to Coventry City Council TLO. You must then inform the TLO that you have done this. However, it may take several days before we are able to make contact with the DVLA and get a response, if not you will have to wait for the DVLA Driving entitlement enquiry to be returned by post.

If your HC/PH driver's licence expires before the DVLA Driving entitlement enquiry results are received/obtained, or your corrected/replacement DVLA UK licence is presented to us, you will not be able to renew your licence and you will need to apply for a 'Re-Grant'.

For a Re-Grant you will still need to wait for the DVLA Driving entitlement enquiry results to be received/obtained, or for your corrected/replacement DVLA UK licence to be returned. Also, you will be required to have a DBS (CRB) check if the 3 yearly anniversary of your last DBS check occurs within 12 months of the date of this application but you usually will not need to wait for the results before a licence is granted. However, we reserve the right to require you to complete additional procedures. Please refer to the section 'How to Apply for a Re-Grant of a Driver's Licence'.

- 2.9 If you have been convicted of any offence, received a caution, or know of anything else that may affect your renewal application, you are advised to contact the TLO immediately. If you delay informing us or do not inform us until applying for renewal, your licence may expire before a decision on your application can be taken.
- 2.10 You are also required to undertake a three-yearly driver training refresher course (including Child Sexual Exploitation, Customer Service and Disability Issues) held at the Taxi Licensing office during the three-year period before your current licence expires. If you have not undertaken this your driver's licence cannot be renewed.
- 2.11 Bring the following to the TLO:  
(Please check office opening times)
- The Application Form 1B for hackney carriage and/or Form 2B for private hire;
  - 2 identical colour passport size photographs of you (other specifications must be to the same standards required for a passport);
  - Your current HC/PH driver's badge or, if lost, fill in a 'Replacement Plate or Badge Form';
  - Your DVLA UK driver's licence (If this is a ID photocard style licence you must produce the photocard and the paper counterpart driving licence D740);
  - The renewal fee (a licence cannot be issued without payment);

- The proof of identity documents for the DBS (CRB) application (*usually every 3 years - Normally we will not require the disclosure to be returned by the DBS (CRB) to you before renewing your licence*) and/or the DBS Update Service Access Authorisation form 232 attached to this document.
  - Your DVLA code;
  - Your DBS code;
  - Your Immigration code (if no British Passport held);
  - The DVLA Driving entitlement enquiry form - attached to the end of this document (usually every 3 years). *Normally we will not require the enquiry to be returned by the DVLA before renewing your licence*;
  - The DVLA Driving entitlement enquiry fee (see above);
  - A medical 'Certificate of Fitness 009' needs to be completed by a Medical Practitioner 5 yearly from first licensed up to the age of 65; and annually thereafter;
  - Certificate showing that you have completed the three-yearly driver training refresher course.
- 2.12 All the documents presented to us must be fully completed and the information must be accurate i.e. in the same surname (last name), first names, address, date of birth, National Insurance number etc.
- 2.13 Your application cannot be accepted if you do not provide all the required documents and information.
- 2.14 In some cases, the TLO has no powers to issue a renewal licence. In these cases the Committee will have to make the decision on whether to issue, or refuse to issue a renewal licence. If your application has to go to the Licensing Committee for a decision, you will be informed in writing. We will tell you why you need to go to the Committee and the procedures that will be followed. This procedure will delay your renewal application. If your licence is due to expire before the next available Committee meeting, please inform the TLO so that arrangements can be made for your licence to be extended to that meeting. For a brief explanation of the Committee, refer to 'Committee' in the Contents page.
- 2.15 If you have completed all procedures your application will now be processed. It may not be possible to issue a licence immediately and you may be required to return to the TLO at a later date. When you return you will need to present your DVLA UK driver's licence for the licence to be issued. If a decision is made to issue a licence you will need to sign the 2<sup>nd</sup> declaration on your application form confirming that the information contained in it is up to date and accurate, pay the licence renewal fee and be issued with a licence certificate and identity badge. If you are issued with a private hire driver's licence you will be given a photocopy of your licence certificate and identity badge, which you must hand to your operator. If you are issued with a hackney carriage driver's licence you may request a photocopy of your licence certificate and identity badge.
- 2.16 Please ensure you understand all that is required of you, especially that contained in the section 'Legal and Conditions of Licence Information'. If you do not understand a question, procedure, or requirement please contact the TLO for assistance.

### **Applying for a 'Re-Grant' of a Driver's Licence**

'Re-Grant' is the procedure used when you apply for a licence and it is no more than 6 months since your last licence expired.

If you have held a HC/PH driver's licence but it has been expired for 6 months or less, you cannot apply for a 'Renewal', you need to apply for a 'Re-Grant' (this applies even if you held a licence that expired less than 1 day ago). However, you will need to do more than someone who is renewing their licence and this may take several working days/weeks. Under normal circumstances you will not need to take/retake a medical (unless you would have been due a medical during the time your licence expired and you putting in your re-grant application), a driver training course test, a road knowledge test, or driving test.

You will be required to apply for a DVLA Driving endorsement history code and await the results and also an online DBS (CRB) disclosure if the 3 yearly anniversary of your last DBS (CRB) disclosure occurs within 12 months of the date of this application but you usually will not need to wait for the results. However, there may be circumstances when you will be required to await the results from the DBS (CRB) before a decision can be made e.g. where an additional name has been revealed. A copy of the DBS disclosure certificate is no longer sent to the Taxi Licensing Office (TLO). Therefore, when you have received your copy if there is

any information recorded on it (e.g. convictions, cautions, other relevant information) it will need to be brought to the TLO. We reserve the right to require you to complete additional procedures.

If you are offered a re-grant of a licence you will be expected to take it up within 6 months of the expiry of your previous licence. You are advised to find out if a licence/licensed vehicle is likely to be available for you when you get your hackney carriage or private hire driver's licence.

Information, policies and procedures referred to in this document may have changed since publication. Please be aware that you will be required to conform to current requirements even if different to those printed in this document.

### **Making an Application**

- 3.1 Please read this document before starting your application.
- 3.2 Unless you have previously attended a Childrens Sexual Exploitation (CSE) Training Course by a Coventry City Council approved trainer you are required to have booked and attended this course and must bring proof of your attendance (certificate or letter) to the Taxi Licensing Office with your renewal application unless the TLO confirm that they have a record of your driving.
- 3.3 Before anything else complete the DBS (CRB) online Application Form. (*See 'Disclosure & Barring Service (DBS) applying for an enhanced disclosure' in Contents*).
- 3.4 If you are under 65 and it has been 5 years or over since the date of your last medical, between first grant and 65 and it has been 5 years or over since the date of your last medical or over 65 then you are required to submit your re-grant application together with a medical 'Certificate of Fitness 009'. This needs to be completed by a Medical Practitioner and returned to the TLO. The certificate is at the back of this document. If this is the case then your licence cannot be granted before the TLO has been sent the results of your medical on 'Certificate of Fitness 009'.
- 3.5 Complete pages 1, 2 & 3 of the Application Form 1B or 2B. The application form must be filled in by yourself and NOT by someone on your behalf. Do not forget to enter your convictions and cautions that you have not declared on previous application forms.
- 3.6 Collect together the required proof of identity documents. (Normally only required if the 3 yearly anniversary of your last DBS (CRB) disclosure occurs within 12 months of the date of this application). *Normally we will not require the disclosure to be returned by the DBS (CRB) before re-granting your licence (See 'Disclosure & Barring Service (DBS) applying for an enhanced disclosure' in Contents)*.
- 3.7 Submit online to the DVLA for a code to submit to the TLO giving your endorsement history. A licence cannot be re-granted until we have the results of the enquiry. If you wish, and at the discretion of the TLO, we may be able to obtain some of the information we require by telephone from the DVLA. In order for the DVLA to give information to the TLO you must first telephone the DVLA Contact Centre on 0300 790 6801 and authorise the release of information to Coventry City Council TLO. You must then inform the TLO that you have done this. However, it may take several days before we are able to make contact and get a response, if we cannot you will have to wait for the results of the enquiry to be returned by post. For assistance in filling in this form please refer to the relevant section in this document.  
Note: Your application cannot be accepted or licence re-granted without your DVLA licence.
- 3.8 If you have been convicted of any offence or know of anything else that may affect your application, you are advised to contact the TLO immediately.
- 3.9 You are also required to undertake a three-yearly driver training refresher course (including Child Sexual Exploitation, Customer Service and Disability Issues) held at the Taxi Licensing office during the three-year period before your previous licence expired. If you have not undertaken this you will not be re-granted a licence.

- 3.12 Your application cannot be accepted if you do not provide all the required documents and information.
- 3.13 We will now start to process your application; this will take several working days, or longer if additional procedures are required. We suggest you phone the office to check on the progress of your application about 4 working days after you have submitted your application form. We will then inform you of progress and what to do next.
- 3.14 In some cases, the TLO has no powers to re-grant a licence. In these cases, the Licensing Committee will have to make the decision on whether to re-grant, or refuse to re-grant you a licence. If your application has to go to the Committee, for a decision, you will be informed in writing. We will tell you why you need to go to the Committee and the procedure that will be followed. This procedure will delay your application. For a brief explanation of the Committee, refer to 'Committee' in the content page.
- 3.15 When you have completed all that is required and we have completed all the enquiries and procedures and if a decision has been made to grant a licence you will need to come to the TLO to be issued with a licence and identity badge. Before coming to the TLO you are advised to contact us to check that there are no issues that would prevent a licence being issued. ### **Applying for an 'Additional' Driver's Licence**

'Additional First Grant' is the procedure used when you apply for a HC or PH licence and you already hold the other licence.

If you hold a current PH driver's licence and wish to apply for a HC driver's licence, you will need to pass a CCC HC wheelchair test (See "*Wheelchair Test*" in Contents) and HC Road Knowledge Test. What will be expected of you during the HC wheelchair test is available from the Taxi Licensing Office (TLO).

If you hold a current PH driver's licence and wish to apply for a HC driver's licence and you previously held a HC driver's licence, you will also be required to successfully pass a CCC wheelchair test and HC Road Knowledge Test. If you have previously passed a CCC HC wheelchair test but your HC driver's licence expired more than 6 months ago you will need to demonstrate your knowledge/competence of access for the disabled to officers of the TLO. Please make an appointment at the TLO.

If you hold a current HC driver's licence and wish to apply for a PH driver's licence, you do not need to take a CCC driving test.

Complete an online DBS (CRB) Disclosure Application form but you usually will not need to wait for the results. If your DBS has any convictions, cautions or other relevant information recorded on it you will be required to bring it into the TLO. If the DBS is clear you will not need to submit it to the TLO. (See '*Disclosure & Barring Service (DBS) applying for an enhanced disclosure*' in Contents). You will also need to contact the DVLA and obtain a code from them for Taxi Licensing to check on your licence.

A licence cannot be granted immediately. Your application will take at least one week to process. We reserve the right to require you to complete additional procedures.

Information, policies and procedures referred to in this document may have changed since publication. Please be aware that you will be required to conform to current requirements even if different to those printed in this document.

### **GUIDELINES ON ASSESSING THE SUITABILITY OF FIRST GRANT APPLICANTS WHO HAVE NOT LIVED IN THE UK FOR A CONTINUOUS PERIOD OF 5 YEARS**

Where first grant applicants have lived abroad in the five years preceding the date of application (disregarding short periods of up to 4 weeks at a time for holidays, family visits etc.), the following guidelines will apply:

- a) The applicant will be requested to produce a "Certificate of Good Conduct" from any relevant non-UK country. For these purposes, "Certificate of Good Conduct" means an extract from the judicial record or equivalent document issued by a competent judicial or administrative authority in the relevant country testifying to good conduct or to any criminal convictions recorded against the individual. The "Certificate of Good Conduct" must contain the contact details of the issuer in order to for the Taxi Licensing Office (TLO) to verify authenticity. The applicant would obtain this from the appropriate embassy or legation and a translation will be required if it is not provided in English.
- b) Where an applicant is unable to produce a "Certificate of Good Conduct", he or she will need to explain why, and to produce references from individuals or bodies who can vouch for his or her time in the relevant country.
- c) The absence of "Certificate of Good Conduct" or references will not prevent an application being considered but the failure to provide such information without good reasons will be taken into account when making a decision.
- d) In all cases, the applicant will be required to make a declaration as to any criminal record.
- e) The above policy will not be applied as a requirement or condition. The authority will consider each individual case on its merits, having regard to the need to protect the safety of the public and whether the applicant has demonstrated in the light of the information he or she has provided and all the evidence available, that he or she is a fit and proper person to hold the licence.
- f) Originals of the "Certificate of Good Conduct" and/or references including any translations will be retained by the TLO with photocopies issued to you if requested. The TLO will check the authenticity of the documents and inform you of the outcome.

## CONVICTIONS AND POLICE CAUTIONS, WARNINGS & REPRIMANDS

The Rehabilitation of Offenders Act 1974 (Exceptions) (Amendment) Order 2002, which came into force on 1<sup>st</sup> March 2002, permits the Council to request and consider "spent" convictions and police cautions, warnings & reprimands that would not need to be declared for some other occupations. This Order was amended to include reference to "Protected Convictions or Cautions". These types of caution/conviction will not be disclosed by the DBS and the Council is not allowed to request their disclosure, ask questions about them or consider them when taking decisions in relation to existing/potential drivers.

Please note that "Protected Convictions or Cautions" are convictions and cautions which are filtered by the DBS and therefore are not listed on a DBS disclosure and are not required to be declared.

Current guidance is available at

<https://www.gov.uk/government/news/disclosure-and-barring-service-filtering> and

## **COMMITTEE**

### **TLO OFFICER GUIDANCE FOR REFERRAL TO THE COMMITTEE**

The Licensing and Regulatory Committee has the authority to delegate some licensing decisions directly to the officers of the Taxi Licensing Office (TLO). When officers make decisions resulting in refusal, revocation or suspension of a licence you will be notified in writing of the decision, the reason for it and any rights of appeal.

In some situations the staff of the TLO are not authorised to make a decision in connection with an application or a current licence. In these situations the application or licence will be referred to the Licensing and Regulatory Committee. As a general guide the following charts indicate if your application or licence will be referred to the Committee. However, there may be circumstances where an application for a licence or a current licence will be referred to the Committee even where the guidance below indicates otherwise.

The Committee can also be asked to review the licence held by a driver if a driver has been convicted for an offence, been cautioned or had complaints made against him/her. If your application or licence is referred to the Committee then you will be told in writing and the procedures will be explained to you. When an application or an existing licence holder is referred to the committee, the Committee members take the 'Relevance of Convictions' guidelines into consideration when making their decision to grant, refuse to grant, suspend, or revoke a licence.

## **GUIDANCE FOR THE COMMITTEE WHEN MAKING DECISIONS ON A SUBMITTED REPORT**

### **GUIDELINES ON THE RELEVANCE OF CONVICTIONS ETC**

The following are the guidelines adopted by the City Council on 26 January 2022, regarding the relevance of criminal convictions, cautions, fixed penalty endorsements, complaints and false declarations to becoming or remaining licensed as a Hackney Carriage or Private Hire driver in Coventry. The Licensing Committee of the City Council consider these guidelines when making their decision to grant, refuse to grant, renew, refuse to renew, suspend, or revoke a licence.

#### **General Principles**

1. Each case will be decided on its own merits.
2. The overriding consideration shall be the protection of the public and all other matters, including unemployment, shall be secondary to the public safety factor.
3. An individual with a conviction for one or more criminal offences need not be permanently barred from obtaining a licence, but should be expected to remain free of further convictions for the periods indicated in these guidelines before an application is favourably entertained. In making a decision, the licensing authority shall take into consideration the number of convictions/cautions, the nature and circumstances of each offence, the age of each conviction/caution, the age of the individual at that time and whether the individual's circumstances have since changed, any mitigating circumstances, any aggravating factors and any other relevant factors.
4. Offences which took place many years in the past may often have less relevance than recent offences. Similarly, a series of offences over a period of time is more likely to give cause for concern than an isolated minor conviction. Offences where the victim was a passenger will be regarded with particular concern.
5. The authority generally considers that offences committed by licensees should be regarded more seriously than offences committed by individuals when not licensed. This is because current licensees have previously been judged as fit and proper and are aware of the standards required of them and are expected to maintain those high standards of personal conduct.
6. Convictions/cautions are considered equally relevant to both hackney carriage and private hire drivers. Cautions are treated in a similar way to convictions since an individual must have admitted the offence in question in order to have received a caution.
7. Where the following specific guidelines indicate that the authority may suspend a licence it may do so in circumstances where, despite being satisfied as to an individual's basic suitability to be licensed, the authority still feels it has reasonable cause to strongly register its disapproval of an individual's conduct and to discourage any future repetition of such conduct.
8. These guidelines may be referred to when considering complaints against individuals, or additional information included in the DBS disclosure by the police, where the nature of that complaint or additional information is of a similar nature to the matters covered by these guidelines.
9. The guideline at F6 may be referred to when considering cases of false declaration where the individual has not been prosecuted.

#### **Specific Guidelines**

10. The following specific guidelines afford an indication of how particular cases involving the consideration of convictions or cautions are likely to be dealt with. Where an individual has more than one conviction/caution recorded against them, the authority will consider the number and nature of convictions and may not necessarily regard the period of time that has elapsed since the last conviction as being sufficient to demonstrate the individual's fitness to be licensed. The following guidelines are not binding on the authority and it is free to depart from them where the particular circumstances of an individual case make it appropriate to do so:-

## A Traffic Offences

Hackney Carriage and Private Hire Vehicle Drivers are professional drivers. In addition to their duty of care to other road users, they have responsibility for the safe transport of their passengers, and traffic offences should be considered carefully.

\*\* Any applicant may also have to undergo drugs testing, at their own expense, to demonstrate that they are not using controlled drugs.

## B Drug Offences

Drug related offences should be carefully considered as Hackney Carriage and Private Hire Vehicle Drivers are professional drivers and are expected to be fully in control of themselves and their vehicles whilst working or they may have close contact with vulnerable members of the public, e.g. children, young adults and addicts.

## C Sexual Offences

As Hackney Carriage and Private Hire Vehicle Drivers often carry unaccompanied or vulnerable passengers, applicants with convictions/cautions for sexual offences should be refused a licence until they can show a substantial period free of such conviction/caution. Licensees should have their licence revoked and not be re-granted a licence until a similar substantial period has elapsed.

As Hackney Carriage and Private Hire Vehicle Drivers have close contact with the public, applicants with convictions/cautions for violence offences should be refused a licence until they can show a substantial period free of such behaviour. ## E Dishonesty Offences

Hackney Carriage and Private Hire Drivers are expected to be persons of trust. The widespread practice of delivering unaccompanied property is indicative of the trust that business people place in drivers. Moreover, it is comparatively easy for a driver to defraud the public by demanding more than the legal fare etc. Overseas visitors can be confused by the change in currency and be considered "fair game" for an unscrupulous driver. For these reasons, a serious view should be taken of any conviction involving dishonesty.

## **DRIVER TRAINING COURSE**

The Driver Training Course is compulsory and is to be undertaken by first grant applicants and those applicants who have been previously licensed in Coventry but whose licence expired over 6 months ago. At present Coventry existing hackney carriage and private hire drivers will not be required to take the course. However, existing drivers may attend the training if they wish to do so. The course will help to make sure that drivers have the necessary skills and knowledge to enable them to provide a legal and good quality service. The course is organised and presented by Accessible Transport Group Ltd in partnership with the Taxi Licensing Office (TLO) and Childrens Safeguarding.

Childrens Safeguarding give information regarding Child Sexual Exploitation and this is at the beginning of the course and is not testable. Your Communication and Numeracy skills will be tested as part of this course after lunch.

All new applicant hackney carriage & private hire drivers on the Driver Training Course will be tested that they know the road that 10 locations are on in Coventry. They will need to get a minimum of 8 road locations correct to pass. There is a data bank of 80 sites/locations in Coventry with the roads that they are situated on from which the 10 locations will be selected. The data bank of 80 sites/locations is available in the document 'Hackney Carriage Driver and Private Hire Driver Sites and Road Location Information Document 045a', included in your application pack or available from the Taxi Licensing Office (TLO).

Information to help you to pass the Driver Training Course is available in the document ' Driver Training Course Notes 046', included in your application pack or available from the TLO. You are advised to read the Driver Training Course Notes before attending the course.

### **HACKNEY CARRIAGE ROAD KNOWLEDGE TEST**

A road knowledge test has to be passed by all applicants before a hackney carriage hire driver's licence can be granted. Before sitting the test, you should have a thorough knowledge of Coventry and surrounding areas. Information to help you to pass the Road Knowledge Test is available in the document 'Road Knowledge Information Document 045', included in your application pack or available from the Taxi Licensing Office (TLO). However, this document should only be used as a guide.

#### **Course information:-**

- To book a test you can either visit the TLO (*Please check our office opening times*) and pay the fee by credit/debit card. See 'Fees, Charges and Refunds' in Contents. The tests will normally be run at between 2 - 6 week intervals.
- If you wish the cancel or change your test date you should refer to the following chart.

Day & Time of test		Latest notification day and time to cancel or change your test date and not pay an additional fee	
Monday	3.00pm	Thursday	3.00pm
Tuesday	3.00pm	Friday	3.00pm
Wednesday	3.00pm	Monday	3.00pm
Thursday	3.00pm	Tuesday	3.00pm
Friday	3.00pm	Wednesday	3.00pm

If the Taxi Licensing Office is closed (apart from weekends) between the test date and the latest notification date please add the closure day(s) to the notification period. Please check the Taxi licensing Office closure dates by referring to 'Contents' on page 2 of this document under the heading 'Taxi Licensing Office Information'.

Note:- If you have booked a test within the period between the test date/time and the latest notification day/time and you wish to cancel or change that test date/time you will have to pay an additional fee.

- Please help by keeping to your appointment time, because once the test has started you will not be allowed to enter the room to take the test and you will be required to pay the fee again to rebook.
- The test will consist of a test paper with 20 questions (journeys/routes) and the answers are required to be hand written. There may be several applicants taking the test at the same time. You will be given your own test paper and you should attempt to answer all 20 questions within the 1-hour (60 minutes) time limit. Officers from the TLO will be present to give you instructions on how the test is conducted. Below is an example question, with answers.

1.	What Road is "Place A" <b>City Arcade</b> on	<u>QUEEN VICTORIA ROAD</u>
	What Road is "Place B" <b>Police Headquarters</b> on	<u>LITTLE PARK STREET</u>
Take the shortest route in distance from "Place A" to "Place B"		
<u>GREYFRIARS ROAD, WARWICK ROAD, RING ROAD, NEW UNION STREET.</u>		

- In the first part of each question you are being asked to write down where "Place A" and "Place B" are located i.e. the Road, Avenue, Lane etc. When you have completed this part, you will be required to list the Roads, Avenues, Lanes etc that you would use to travel the shortest distance possible by car from "Place A" to "Place B". Do not decide on a route because you think it would be quicker in time.
- The correct answer for "Place A" and "Place B" will score 1 point each (maximum 2 points). Each correct Road, Avenue, Lane etc on the route will receive 1 point. Each question/route will have a maximum number of available points which will be determined by the TLO and equal the number of roads for the shortest route. The total number of points will be converted to a percentage mark. Routes written in the opposite direction i.e. "Place B" to "Place A" will not score any points (However, if "Place A" and "Place B" have been answered correctly 2 points will be scored for that question).
- To pass the test you will be required to obtain a minimum total mark of 75% across the whole test. The example question below scores 4 points out of a possible 6 points, which converts to a mark of 67% for this question.

1.	What Road is "Place A" <b>City Arcade</b> on	<u>QUEEN VICTORIA ROAD</u>
	What Road is "Place B" <b>Police Headquarters</b> on	<u>LITTLE PARK STREET</u>
Take the shortest route in distance from "Place A" to "Place B"		
<u>GREYFRIARS ROAD, "INCORRECT ROAD", RING ROAD, "MISSING ROAD".</u>		

- During the test you will **not** be allowed to have a person, books, documents, mobile phone or any other facilities to help you. Should you leave the room during the test you will not be allowed to re-enter the room; your test will be considered ended and the test paper marked as completed. Your writing and spelling will not have an effect on your marks unless an answer is unidentifiable as the correct answer.
- Your test result will be sent to you by 1<sup>st</sup> class post normally within 7 days of the test. Your test result will not be given to you over the telephone or over the TLO counter.
- There is no limit to the number of times you can sit a test. However, taking longer than 6 months to pass could have implications for your application e.g. redoing the DBS (CRB) disclosure. For further information, please refer to the section 'Applying for or Renewing a HC and/or PH Driver's Licence', in Contents.
- If you wish to dispute the result of your test and have achieved a mark between 70% and 74%, following a request in writing, the Senior Licensing & Enforcement Officer will remark your test. In order to avoid impairing the integrity of the test a copy of your test paper will not be made available.

## **DRIVING ASSESSMENT**

### **WHEELCHAIR ASSESSMENT/INFORMATION**

All applicants for a hackney carriage or private hire driver's licence are required to pass a CCC driving assessment (HC applicants will also need to pass a wheelchair assessment). Assessments are by appointment only and must be booked in advance or at the TLO by ringing CCC. Please refer to the contacts page for the telephone number and website address. If the demand for assessments is high you may be given an appointment several weeks away, so you are advised to book early.

#### **Private Hire Applicants**

Applicants for a Private Hire Driver's licence need only pass the CCC driving assessment (Known as the 'Private Hire' assessment). It is against the law for a person to drive a licensed private hire vehicle without first having a private hire driver's licence. Therefore, if you have not yet got a private hire driver's licence you must not use a licensed private hire vehicle to take your CCC driving assessment. However, any other vehicle acceptable to the CCC can be used for the driving assessment. On passing the assessment, you will be issued with a driving assessment certificate. The certificate is valid for one year and will need to be presented to the Taxi Licensing Office (TLO), as part of your application, before it expires.

If in the future you want to take out a Hackney Carriage driver's licence, you can take the wheelchair

assessment separately (Known as the 'Private Hire Upgrade' assessment). See 'Hackney Carriage Applicants' below.

### Hackney Carriage Applicants

Applicants for a Hackney Carriage driver's licence need to pass the CCC driving assessment and the CCC wheelchair test (Together, this is known as the 'Enhanced Hackney Carriage' assessment). The driving assessment and wheelchair assessment can be taken separately. However, booking the driving assessment and wheelchair assessment together, as a combined assessment will cost you less than taking them as separate assessments. A person who has not got a hackney carriage driver's licence may drive a Coventry licensed hackney carriage but only for taking the CCC driving or wheelchair assessment. In this case you should get a licensed hackney carriage driver to drive the vehicle to the location of the assessment and away after the assessment. Also, any other vehicle acceptable to the CCC can be used for the driving assessment. However, a fully equipped Coventry licensed wheelchair accessible hackney carriage vehicle will need to be available for the wheelchair part of the assessment. If you wish to take the driving assessment and the wheelchair assessment in different vehicles, please arrange this with CCC. On passing the assessment, you will be issued with a driving assessment and/or a wheelchair assessment certificate. The certificates are valid for one year and will need to be presented to the TLO, as part of your application, before they expire.

### Driving Assessment information

What will be expected of you during the driving assessment is available from the Taxi Licensing Office. You will need to bring your own vehicle and provide Proof of insurance, DVLA driving licence, DVLA check code and NI number on the day of the assessment.

### Wheelchair Assessment

**WARNING** this is an assessment not training. To pass the assessment you will need to know how to put and secure a wheelchair and passenger into a Coventry licensed hackney carriage. To assist you, please refer to the vehicle manufacturer information and the following general advice.

The procedure for putting and securing a wheelchair and passenger into a vehicle varies depending on the type, model and age of vehicle used. The procedures below should only be regarded as a guide. You are advised to practice this with someone who is experience in the procedure.

### Guide for loading a wheelchair customer/passenger into a taxi

1. A taxi driver, whether flagged down, pre-booked or on a rank will be expected to take a customer in a wheelchair unless there is a very good reason not to. Just guessing that the customer and wheelchair is too heavy or too big to fit in the taxi is not a good enough reason to refuse.
2. It is expected that you help the customer by trying to load them and their wheelchair and only if they will not fit or be turned to face the back of the taxi or cannot be secured correctly should you not take the customer.
3. If you are concerned that a customer and wheelchair will not fit in your taxi you should advise the customer that you will try and put them in, but if they do not fit and cannot be positioned and secured safely you will not be able to take them.

### Procedure for loading a wheelchair customer/passenger into a taxi

1. Lift up the rear seats and secure them (if the taxi has lift up seats).
2. Set up the wheelchair restraint straps and ensure the passenger seat belt is ready for use.
3. Set-up the vehicle's access ramp(s). Taxis have different types of ramp so please read the vehicle manufactures instructions. However, here is some general advice.
  - a) Load from the pavement if possible.
  - b) If you are loading from road level ensure the ramp(s) are fully extended and, if designed to have one, use the ramp extension.
  - c) Ensure there is enough room for the ramp(s), the wheelchair/passenger and you e.g. approx 2 metres (6ft) if loading from pavement level with a short ramp or 2.5 metres (8ft) if loading from road level with an extended ramp.
  - d) If using an extension ramp ensure the parts are locked together and cannot be pulled apart. Do not just rest one section on top of the other as they may separate and cause the passenger and/or you injury (read the manufacturers instructions).

- e) Ensure the ramp(s) is set up to give the lowest angle possible to make it easier to get the wheelchair and passenger up the ramp(s).
  - f) Make sure the ramp(s) is wide enough for the wheelchair.
  - g) Ensure the ramp(s) is secure.
4. For powered (electric) wheelchairs the passenger should drive the wheelchair up the ramp. For manual wheelchairs you will need to push the wheelchair up the ramp. As the wheelchair moves up the ramp please ensure the wheels keep safely on the ramp and the passenger's head clears the top of the door way.
  5. When the wheelchair is clear of the ramp(s) ensure the wheelchair brakes are on and then securely put away the ramp(s).
  6. Position, or assists the passenger to position, the wheelchair so the back of the wheelchair is against the partition and the passenger is facing the back of the taxi.
  7. Attach the wheelchair retaining straps to a substantial part of the wheelchair frame and tension the straps. Ensure the wheelchair is secured in line with the vehicle manufacturer's instructions.
  8. Fit the wheelchair passenger seat belt and ensure the lap strap sits low down across the hips and the diagonal strap sits comfortably across the chest.
  9. Remember that the wheelchair passenger is facing backwards so keep them informed of things they might wish to know about e.g. speed ramps, hold-ups, changes to the route etc.
  10. At the end of the journey unload the wheelchair and passenger by reversing the procedure.

## **MEDICAL REQUIREMENTS**

Before a HC or PH driver's licence is granted to you, you will need to have passed a Group II standard medical examination. Please read the section 'How to Apply for a Driver's Licence' before arranging the medical.

New applicant drivers are required to undergo a medical examination and once licensed undertake a 5-yearly medical examination until they are 65. At 65 years of age they are required to undergo a medical examination every 12 months.

Licensed drivers will be required to undergo an additional medical if the Taxi Licensing Office (TLO) is concerned over their medical fitness. Under these circumstances the medical fee(s) may be refunded, by the TLO, only if the resulting 'Certificate of Fitness 009' is marked 'Fit' and no other comments are written on the certificate (e.g. a recommendation for an additional medical sooner than would otherwise be required). If the Medical Practitioner requires more frequent medicals than the standard then they override the standard frequency if.

The medical applies 'Group II' standards together with the C1 standard for insulin treated diabetes as contained in the publication 'Medical Aspects of Fitness to Drive' 'A guide for medical Practitioners' which is published by The Commission on Accident Prevention. An Internet version of this document is available on the Driver & Vehicle Licensing Agency (DVLA) web site at [www.dvla.gov.uk](http://www.dvla.gov.uk).

The medical is carried out by any Medical Practitioner. You will need to ensure that you collect a 'Certificate of Fitness 009' from the Taxi Licensing Office or at the back of this information document and ensure that your Medical Practitioner completes it and hands it back to you for you to return it to the TLO.

Any fees charged in connection with this medical examination by a Medical Practitioner and any fee(s) charged for additional test(s), are payable by you.

Once you have taken the medical, your doctor should complete the 'Certificate of Fitness 009' and endorse the 'Certificate of Fitness 009', which will be marked 'FIT' or 'UNFIT'. The Certificate must be handed in to the TLO.

## **ADDRESS/NAME CHANGE**

If you change your address or name you must inform the Taxi Licensing Office (TLO) immediately by filling in the 'Change of Address form 015' attached to the end of this document or the 'Change of Driver Name form 008' available from the TLO. A replacement licence and/or badge will be required for which a fee will be charged. A DBS (CRB) application will be required as part of the name change procedure for which a fee will be charged (See '*Fees, Charges and Refunds*' in Contents).

- You can charge less than the fare chart shows.
- You cannot charge more than is shown on the fare chart, even if agreed by the passenger unless the journey ends outside of Coventry's boundary (see below).
- If a journey will end outside Coventry's boundary, you must agree a fare, or a method of calculating the fare (e.g. meter or meter + extra charge), with the passenger(s), before the journey begins. To agree a fare, or a method of calculating the fare, a conversation should take place. Displaying a notice in the vehicle may not be considered to be an agreement and is no longer allowed.
- You cannot refuse a fare unless you have reasonable cause to do so. Refusing because the journey is short, long, inconvenient or the passenger is disabled is not reasonable cause.
- It may be considered acceptable to refuse a fare if the passenger is violent or excessively under the influence of drugs or alcohol.
- Each time you pickup or drop off a wheelchair passenger you must follow the correct procedure, always use the ramp(s) and secure the chair and passenger using the correct equipment (i.e. clips and belts).
- You are advised to tell the Taxi Licensing Office (TLO) of any convictions or cautions including driving offences as soon as possible after conviction or caution.
- Because all hackney carriages licensed in Coventry have a partition between the passenger compartment and driver, you are not responsible for adult or child passengers wearing a seat belt.
- You should encourage the passenger(s) to wear a seat belt and give the passenger(s) time to fasten it before you drive off.
- Luggage should be carried in the luggage area in the front near side of the taxi (on the left of the driver). The carrying of luggage on an open boot lid should be avoided unless the luggage is effectively secured, the registration number of the taxi is correctly displayed (e.g. an additional tied on number plate) and legal.

### **Private Hire Drivers**

- You must tell the Taxi Licensing Office (TLO) in writing of any convictions or cautions including driving offences within 7 days of receiving them.
- You should encourage lone (single) female passengers to sit in a rear seat of your vehicle.
- If you take a fare that is not pre-booked by a customer directly with a Coventry licensed operator you will be committing a criminal offence (plying for hire), you will also be breaking the terms of your vehicle insurance and may be prosecuted (your passengers, other road users, you and your vehicle may not

- be fully covered by insurance)
- You must not take a booking yourself from a customer and then pass it onto an operator (e.g. by radio or telephone). If you do you will be acting as an unlicensed operator and illegally plying for hire, both of which are offences for which you can be prosecuted.
- You must not stop on, or pickup from, a taxi rank.
- You should supply, to your operator, the information your operator requires under the conditions of their licence including a copy of your PH driver's licence and a copy of your PH driver's identity badge.
- You are responsible for ensuring children under 14 are wearing a seat belt unless an appropriate belt is not available.
- You should encourage the passenger(s) to wear a seat belt and give the passenger(s) time to fasten it before you drive off.

## **ENFORCING THE LAW AND THE CONDITIONS OF LICENCE**

Enforcement of the laws and conditions of licence relevant to your HC or PH driver's licence is undertaken by officers of the City Council and the Police. Some of the ways this will be done is explained below.

- **Spot Checks** You may be approached by officers and asked to show your identity badge, or questioned about journeys/fares you have taken, or anything in connection with your licence.
- **Entrapment** Undercover officers may take journeys in your vehicle to find out if you are breaking the laws and/or conditions of your licence. Officers may or may not make themselves known to you at the time.
- **Complaints** Complaints made against you will be investigated by officers. You will be given the chance to put your point of view. The outcome including your comments will be documented and details kept on your personal file.

It is an offence to obstruct an officer or fail to give an officer assistance or information that he/she reasonably requests.

## **VEHICLE CRIME PREVENTION ADVICE**

Most vehicle crime is carried out by opportunist thieves – those who see an easy way of stealing things of value with little effort and risk.

Satellite navigation systems, car radios and cash – anything of value that can easily be carried and left inside a vehicle - are the things most commonly sought by offenders.

Taking a few simple steps – every time you leave your vehicle - will go a long way to stopping you from becoming a victim of crime:

- Don't leave anything on display that could tempt a thief. **Always remove your portable Satellite Navigation system from the dashboard - including any suction cups fitted to the windscreen or other holding device** – leaving the holder in place just makes the thief think that the GPS unit and other equipment may be hidden in the glove box or somewhere else in the vehicle.
- If there's nothing in the glove box, leave it open to show there's nothing there
- Lock all doors and close windows when you leave your vehicle, even if it's only for a short while. This includes when you are filling up at the petrol station
- Keep a record of any serial numbers – store them separately from the vehicle
- At home, if you have a garage then make sure you park your vehicle inside it!
- When away from home, look for a parking space in a well lit, busy place.
- Try and use a secure car parking facility (for details, see [www.securedcarparks.com](http://www.securedcarparks.com)).
- Keep your car keys out of view in a safe place. At home, place them in a drawer away from doors, windows or the letterbox.

If you have any details about who is committing car crime, you can also contact Crimestoppers anonymously on **0800 555111**. You may qualify for a reward.

For further information about how to look after your vehicle, contact your local police station on **0845 113 5000**. You can also get further information on vehicle security from [www.secureyourmotor.gov.uk](http://www.secureyourmotor.gov.uk)

## NOTES for Taxi Medical Practitioners

1. The Coventry Taxi Licensing Office requires a medical assessment:-
  - Before granting a first hackney carriage or private hire driver's licence; 5-yearly thereafter up to the age of 65; (and annually thereafter).
  - When officers at the Taxi Licensing Office have reason to doubt that a licensed hackney carriage or private hire driver or a person applying for a renewal or re-grant hackney carriage or private hire driver's licence, would meet the current Group 2 Driver's Medical Standards including C1 standard for insulin treated diabetes.
2. For the person to be considered fit to be licensed as a hackney carriage or private hire driver he/she must meet the requirements of the Group 2 standards, as laid down in the current Driver & Vehicle Licensing Agency (DVLA) publication for Medical Practitioners "At a Glance Guide to the Current Medical Standards of Fitness to Drive" . The "At a Glance Guide to the Current Medical Standards of Fitness to Drive" is available on the government web site [www.gov.uk](http://www.gov.uk).
3. Any relevant tests (e.g. exercise/ECG) that are required in order to support the assessment must be undertaken and a record of the results made available if required.
4. Any fees charged in connection with this medical assessment, including any fee(s) charged for additional test(s), are payable by the person receiving the medical unless, by prior agreement, the Taxi Licensing Office has agreed to pay.
5. The Medical Practitioner who conducted this medical assessment examination must be a qualified Medical Practitioner and may, with reasonable notice, be required to support their medical judgement by giving evidence during appeal proceedings in the Magistrates' or Crown Court.
6. In order to meet our 'Quality Management' obligations we cannot accept photocopies of this form. The City Council logo must be correctly displayed for this form to be considered valid.
7. On completion of the certificate the applicant may return it in person to the Taxi Licensing Office or it can be returned by post, marked "Private and Confidential", to the address below.
