Dear Sir/Madam.

**Freedom of Information Act 2000 (FOIA)
Request ID: REQ07890**

Thank you for your request for information relating to care plan information.

You have requested the following information:

1. How do you currently handle care planning in your care homes - electronically or on paper?

Providers are responsible for their own care planning and there will be a mixture of electronic and paper care plans across the market.

2. If you you're using electronic care planning, who is the current supplier, what is the value of the contract and when will the contact expire?

Coventry City Council does not commission electronic care planning. Providers will be responsible and choose their preferred method of care planning. We do not hold information about who provides the electronic care planning for those homes that use it and are advising you as per Section 1(1) of the Act.

3. If you use paper for care planning, do you have any plans for public tender within the next 12 months?

Coventry City Council has no plans for a public tender as this would be down to the individual care providers.

4. What are the contact details of the procurement officer?

Not applicable, please refer to Question 1.
