1. Introduction

The co-ordination scheme as detailed in this document applies to all Secondary academies and free schools (excluding special schools) in the Coventry area and shall take effect for the admissions process for the academic year 2025/2026. This is published in accordance with the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulation 2012 as amended by the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England)(Amendment) Regulations 2014 and the School Admissions Code 2021.

Coventry City Council are the responsible authority for co-ordinating the arrangements for the admission of pupils to Secondary Schools in the Local Authority area.

2. Co-ordination

2.1 The School Organisation team on behalf of the Local Authority and other admission authorities in Coventry, will co-ordinate applications made during the main admissions round (for Year 7). Parents/carers living in Coventry will make an application to the Local Authority for any maintained school, academy or free school for a school place for their child in September 2025. The application process will be available online via the Local Authority website or via a paper common application form from September in the year before children are due to start Secondary school.

2.2 For those 14-19 academies, UTCs and Studio Schools across the region that admit pupils into Year 10, the School Organisation Team will co-ordinate applications made during the main admissions round where the academies are part of the co-ordination arrangements within their areas. The application process will be available online via the Local Authority website. Where the academies are not part of co-ordination arrangements, then parents are advised to approach the academy direct for details on how to apply. Applications into year 10 for WMG Academy Coventry can be made online with [Solihull Metropolitan Borough Council](#).

2.3 For the academic year 2025/2026 and subsequent years, applications made outside of the normal admissions round (In Year Applications) can be made via the Secondary in year application form. <https://www.coventry.gov.uk/secondaryinyearapplication>. However, if a student wants to transfer from one Coventry school to another, parents are advised to contact the current school to complete the in-year transfer form.

3. Admission Authorities

3.1 All secondary schools in Coventry are academies or free schools and their Trust or Board of Directors is the admissions authority.

4. Application process

4.1 The online application and the Common Application Form will be used as a means of expressing preferences for the purposes of Section 86 of the School Standards and Framework Act 1998, by parents resident in Coventry wishing to express a preference for their child to be admitted to a maintained secondary school, Academy or free school within Coventry or located in another Local Authority area.

4.2 When applying the parent will be able to:

- a. express **three** preferences including, where relevant, any schools outside the Local Authority's area, in rank order of preference.
- b. give their reasons for each preference*.

**Please note: reasons expressed for any school can only be taken into account where they have a direct link to how an application would be prioritised according to the school's individual admissions policy.*

4.3 The parent will receive no more than one offer of a school place and:

- a. a place will be offered at the highest ranking nominated school at which they are eligible for a place; and
- b. if a place cannot be offered at a nominated school, a place will be offered at the nearest available school following consultation with own admission authorities where appropriate.

4.4 The Local Authority will make appropriate arrangements to ensure that:

- c. the online system and the Common Application Forms are available during the application period
- d. a written explanation of the co-ordinated admissions scheme is available on the Local Authority website and from the Local Authority.

4.5 The Local Authority will take all reasonable steps to ensure that every parent resident in the Local Authority area who has a child in Year 6 in a Coventry primary school receives information on the application process by 12 September 2024.

5. Supplementary Information Forms

- 5.1 All preferences expressed via the online process or on the Common Application Form are valid applications. Schools may ask parents to provide additional information on a supplementary form for the governing body to apply their faith-based oversubscription criteria to the application. Currently in Coventry Blue Coat Church of England School and Seva School require supplementary forms to be completed. Details of these schools and online links to the supplementary forms will be included in the admissions booklet on the Coventry city council website. If parents complete a supplementary form, this must be returned direct to the school.
- 5.2 Where a school receives a supplementary form from a Coventry resident it will not be regarded as a valid application unless the parent has also completed an online application, or a Common Application Form and the school is nominated on it. Where supplementary forms are received directly by schools, they must inform the Local Authority immediately so the Local Authority can verify whether an application has been received from the parent and, if not, contact the parent and ask them to complete one. Under the requirements of the scheme, parents will not be under any obligation to complete an individual school's supplementary form.

6. Processing of Applications

- 6.1 The closing date for applications is **31 October 2024**. Parents can complete the online application by this date. An email confirming receipt of the application will be received once the application has been submitted. Alternatively parents can return a completed

Common Application Form to a primary or junior school or to the Local Authority by **31 October 2024**. The Local Authority will issue a receipt within 14 days for all Common Application Forms received. The receipt letter is the only valid proof that an application has been received by the Local Authority. Applications received after the closing date will be treated in accordance with the procedure for late applications.

- 6.2 Please note that schools will close for half term on **Friday 25 October 2024** so if parents return a form via a school, they must do this by this date to ensure that primary schools will be able to forward any applications before the closing date of **31 October 2024** to the Local Authority.

7. Determining Offers

- 7.1 **It should be noted that all children with an Education, Health and Care plan that names a school must be admitted to that school before all other applicants.**
- 7.2 The Local Authority will act as a 'clearing house' for the allocation of places by the relevant admission authorities in response to the online applications or Common Application Forms. The Local Authority will only make a decision with respect to a preference expressed where:
- a. an applicant is eligible for a place at more than one school, or
 - b. an applicant is not eligible for a place at any school that the parent has nominated.
- 7.3 **By 15 November 2024** Coventry Local Authority will exchange "unranked" preferences with other Local Authorities whose schools have been requested by Coventry parents.
- 7.4 **By 29 November 2024** Coventry Local Authority will notify the admission authority for each of the schools of every application that has been made for that school, regardless of ranking, including all relevant details together with any evidence received by this date which schools require in order to apply their oversubscription criteria.
- 7.5 **By 20 December 2024** the admission authority for each school will consider all applications for their school, apply the school's oversubscription criteria (if appropriate) and provide the Local Authority with a list of those applicants ranked according to the school's oversubscription criteria. Where the number of applicants exceeds the number of places available at the school by a significant amount, the admission authority needs 'rank' only as many as it agrees with the Local Authority to be necessary, allowing for the fact that some of those who could be offered a place might be offered a place at another school.
- 7.6 The Local Authority will match this ranked list against the ranked lists of the other schools nominated and:
- Where the child is eligible for a place at only one of the nominated schools that school will be allocated to the child.
 - Where the child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.

- Where the child is not eligible for a place at any of the nominated schools, the child will be allocated a place at the nearest school with a vacancy following consultation with own admission authorities where appropriate.
- 7.7 **31 December 2024** will be the effective 'cut off' date for parents requesting Coventry schools to notify any changes (e.g. home address), which might materially affect their application.
- 7.8 On **20 January 2025** the Local Authority will commence the exchange of information with other Local Authorities on potential offers of places in Coventry schools. Similarly other Local Authorities will notify Coventry Local Authority of potential offers available to Coventry residents.
- 7.9 On **27 January 2025 and 10 February 2025** Coventry Local Authority and other Local Authorities will compare potential offers and provisionally allocate places. This information will then be exchanged between Local Authorities.
- 7.10 **By 24 February 2025** the Local Authority will complete the exchange of information with other Local Authorities and inform them of places in Coventry schools to be offered to their residents. Similarly other Local Authorities will notify Coventry Local Authority of places in their schools to be offered to Coventry residents.

8. Decision Letters

- 8.1 On **3 March 2025** letters will be posted to parents by second class post notifying them of the school place their child has been allocated. Emails will also be sent on this date to those parents who have applied on-line. Both will contain the following information:
- i. The name of the school at which a place is offered;
 - ii. The reasons why the child is not being offered a place at each of the other schools nominated on the application;
 - iii. Information about their statutory right of appeal against the decisions to refuse places at the other nominated schools;
 - iv. Contact details for applicants to lodge an appeal when they have not been offered a place at a school.

9. Late Applications

- 9.1 The closing date for applications in the normal admissions round is **31 October 2024**. After that date, the Local Authority will continue to receive applications but these will be considered to be late and may not be processed until after **3 March 2025**. Parents will be advised in their receipt letter that this will be the case.
- 9.2 A link to the late application form will be available on the Coventry City Council admissions web pages from the **1 November 2024**.
- 9.3 All late applications and changes of preference made up to 2 weeks after the national offer day will then be considered in a further round of allocations of places to be completed in early April. Any further late applications will be allocated prior to the start of September 2025.

10. Waiting Lists

- 10.1 After the initial allocation of places on **3 March 2025**, schools will be responsible for maintaining their own waiting lists in conjunction with the Local Authority. Waiting lists must operate until **31 December 2025**. Parents, who wish for their children to continue to be considered for any places that might become available after this time will need to contact the School Organisation Team or check details directly with the school for arrangements to stay on the waiting list.
- 10.2 Waiting lists are kept in oversubscription criteria order and this is the basis for deciding where a child is placed on a list. The date of application does not affect the position on a waiting list.

11. Admission of children outside their normal age group

11.1 Paragraph 2.18 of the **School Admissions Code** allows parents to request that their child is educated outside of their normal age group; for example, if their child is gifted or talented or has experienced problems such as ill health, or as a summer born child, they have been taught out of their normal year group during primary school. Parents must read the guidance links in section 11.2 regarding transition to secondary school and the timing of applications.

11.2 Where a parent/carer seeks a place for their child outside their normal age group, they must state which year group they are requesting and why they want this year group on the application form. Parents/carers will then be contacted to discuss the matter further as requests will be considered on the circumstances of each case and in the child's best interests. Each school governing body will need to make an individual decision and details will be included in the school admissions policy about how applications will be dealt with. There are no guarantees that such applications will be agreed. However, where the application is not agreed a letter setting out the decision and reasons for it will be provided along with any rights to appeal. Please use the following links for further guidance. [Further information for parents and schools to consider in dealing with applications outside the normal age group.](#)

13. In Year Application Process

- 13.1 The Local Authority co-ordinates in year admissions for all academies and free schools within Coventry. According to the School Admissions Code 2021 schools that do not wish to participate in the co-ordinated scheme will need to notify the local authority by 1st August 2025. This information will be updated on the council and individual school websites at this time. All schools not part of the co-ordination scheme will have to provide their own application forms and details of their arrangements for dealing with in year applications on their school websites.
- 13.2. In the co-ordinated scheme, where a child is not on roll at a Coventry school, an in year application can be made for a place for a child in all year groups using the standard on-line [application form](#). Applicants for some faith schools (currently Seva School and Blue Coat Church of England School) will also need to complete a supplementary information form but only if they are applying on priority faith grounds.
- 13.3 Decision letters will be issued by the Local Authority in line with the timings published on the secondary school admissions website pages <https://www.coventry.gov.uk/school-admissions/secondary-school-admissions/5> and these will include appeal information where an application was unsuccessful. Please note that admissions decisions are made during term time only.
- 13.4 If places are not available at any of the schools requested and a child is not on roll at a school the local authority will allocate a place at the nearest school with a space available.
- 13.5 For those pupils attending a Coventry secondary school who wish to transfer to another Coventry secondary school, parents/carers will be asked to meet with the headteacher or other appropriate member of staff to discuss the reason for transfer. This will provide the school with an opportunity to identify any issues that may be capable of resolution and that may negate the necessity for a school transfer. This will ensure that changes of school are not undertaken hastily and without discussions with the parent/carer as to the likelihood of educational disadvantage to the pupil that may arise from transfer. The headteacher will seek to resolve any issues that may be causing parents/carers to seek a transfer. Where the parent/carer does complete a transfer form and returns this to the school, the school staff will complete the school section of the form providing details so that the application can be processed as a standard admission or referred to fair access arrangements as necessary.
- 13.6 Waiting lists for all Coventry schools will be notified to the Local Authority. Academies and free schools will be responsible for maintaining their own lists in conjunction with the Local Authority. Parents, who wish for their children to continue to be considered for any places at these schools after 31 December 2025 will need to contact the School

Organisation Team or check details directly with the school for arrangements to stay on the waiting list.

14 Fair Access Protocol

14.1 The Coventry Fair Access Protocol ensures that, outside the normal admissions round, unplaced children are offered a place at a suitable school as quickly as possible. This protocol does not apply to Looked After Children or pupils who have an Education, Health and Care Plan. The protocol also seeks to ensure that no school - including those with available places - is asked to take a disproportionate number of children who have been excluded from other schools, or who have challenging behaviour.

Further details of the protocol are available from the [Attendance and Children Missing Education team](#)
