Thank you for your request for information relating to Street Litter Bins removed from service in 2020

Your request and our response is below:

In the 2020 calendar year could you please state how many street litter bin sites you had responsibility for that were removed from service for good.

4 bins

For each bin site that was removed from service please give (i) the position where the bin had been and (ii) the reason why it was decided to no longer have a bin in that site? Please ensure when you answer this part of the question that you state whether the removal was in any way related to whether the bin was attracting too little, or too much litter.

Bin Location	Reason for Removal
Westminster Road	No longer required (low usage and others in vicinity well used)
Pinley Fields	Removed due to constant vandalism – Floor bins exist across the site.
Barras Heath Park	Red dog waste bin (post) removed permanently due to having larger dual waste floor bin in close proximity

Barras Heath Park

Red dog waste bin (post) removed permanently due to having larger dual waste floor bin in close proximity

The supply of information in response to a freedom of information request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs.
