Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)
Request ID: FOI314552433

Thank you for your request for information relating to light bulb types in use by Coventry City Council.

Your request and our responses are shown below:

- 1. Do you have any Filament Light-bulbs in buildings (offices etc.), if so are these scheduled to be upgraded, if so when? Also please provide number of filament bulbs.**
- 2. Do you have a current count of how many LED bulbs you are using?**
- 3. Do you have any Halogen Bulbs, if so are these scheduled to be upgraded, if so when? Also please provide number of Halogen bulbs.**
- 4. Can you provide me with your average yearly costs of replacing/upgrading bulbs and the price paid per bulb.**

For Questions 1 to 4, we hold the information which you have asked for but we have estimated that the cost of meeting your request would exceed the cost limit of £450 specified in the Freedom of

Information and Data Protection (Appropriate Limit and Fees Regulations 2004). This represents the estimated cost of one person spending 18 hours or more, in determining whether the information is held, locating, retrieving and extracting it.

We estimate that because the information is held in a nonreportable format which would require a manual review of the information to compile the information which would exceed the 18-hour limit under the Freedom of Information Act. Your request has been refused under section 12(2) of the Act.

5. Can you provide me with your energy usage from lighting council buildings broken down by each month from Jan - December 2020. (If this information is not available, total building energy consumption will suffice)

Please see the attached spreadsheets.

6. Do you have a policy for light bulb purchases currently in place?

7. What percentage of your lighting is using efficient LED Luminaries?

For Questions 6 and 7, please refer to Question 1.

The supply of information in response to a freedom of information request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs. Please contact us if you wish to use the information for any other purpose.

Should you wish to make any further requests for information, you may find what you are looking for is already published on the [Council's web site](#) and in particular its FOI/EIR [Disclosure log](#), [Council's Publication Scheme](#), [Open Data](#) and [Facts about Coventry](#).

If you are unhappy with the handling of your request, you can ask us to review our response. Requests for reviews should be submitted within 40 days of the date of receipt of our response to your original request – email: infogov@coventry.gov.uk.

Please remember to quote the reference number above in your response.

Yours faithfully
