Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI326458067

Thank you for your request for information relating to primary school admissions 2021.

Your request and our responses are shown below:

1. A list of all Primary, Infant and Junior schools in Coventry and whether they were oversubscribed or not-oversubscribed on national offer day 2021 (16th April). Please include each school's Unique Reference Number (URN), DFE code, and/or address/postcode to allow us to identify each relevant school without ambiguity. We define a school to be oversubscribed if, and only if, at least one on-time applicant was refused a place and the applicant did not receive an offer from any higher preference school. If there were no refusals to on-time applicants - even if the school was unable to accept one or more late applications, or admitted over its published admission number - then we do not consider this school to be oversubscribed. If you use a different definition of oversubscription, then please make this clear in the response.

2. The total number of places offered at each school.

Questions 3-5 apply to oversubscribed schools identified in question 1 only:

3. The number of on-time applicants refused a place who did not receive a place at any higher preference school. By this we mean the number of unsuccessful on-time applicants remaining on each school's waiting list. Please answer for each individual school.

4. The admission criterion under which the last successful applicant was admitted.

5. The home-to-school distance of the last successful applicant, assuming distance was used to allocate this place. Please include measurement units and whether this is based upon a walking/driving route, straight line/as the crow flies distance or an alternative measurement system. Please always list all schools within Coventry Local Authority even if you are unable to provide all the requested information - simply mark the relevant values as 'Not Known'.

Note: If any of these dates differ - please align to the relevant primary offer/deadline dates for your local authority.

- **Primary National Offer Day – 16th April 2021.**
- **On-time applications – submitted before 15th January 2021.**
- **Late applications – submitted after 15th January 2021.**

Please see the spreadsheet attached.

Please note it was not possible to offer places to all who requested places at oversubscribed schools. All places were allocated using the criteria in each school admissions policy.

The spreadsheet attached shows the number of places offered for entry in September 2021 at each school to all those who applied on time, by 15 January 2021, and where the school was oversubscribed, we include details of the last place offered. Please note this information is correct as at a point in time of national offer day.

School applications and vacancies is live information with applications being made daily and subsequent allocation rounds may alter the number of places available in each school, and therefore if pupils have transferred away or into the school(s) in the interim this provided information may not show a complete picture.

The supply of information in response to a freedom of information request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs. Please remember to quote the reference number above in your response.

Yours faithfully
