Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)
Request ID: FOI330292311

Thank you for your request for information relating to Locations of school crossings.

You have requested the following information:

As part of a project that I am undertaking to publish the locations of school crossing patrol sites across the UK as an open data source (with the intent that this source is picked up by Sat Nav apps, which can then use it to display warnings to drivers), I am hereby requesting information that you hold regarding any school crossing patrol sites in your local authority area. This request is being made under the Freedom of Information Act 2000.

In particular, the I am requesting following information regarding current School Crossing Patrol sites in your local authority area:

- **Location.** Co-ordinates would be ideal, but a street name and general description will also suffice.
- **Staffed times.** Or times when there is a school crossing patroller present on the site during a normal school day.

In terms of the format, having the above in an Excel format or CSV would be ideal. But I am willing to accept the format which is easiest to hand for you.

Please see the attached document.

The supply of information in response to a Freedom of Information request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission.
