

GENERAL INFORMATION RE LAWN TYPE SECTIONS

As the registered owner of the Exclusive Right of Burial for a lawn type grave you have agreed to conform with the Rules and Regulations for the cemetery administered by Coventry Bereavement Services. This agreement includes the need to comply with the specifications for memorialisation permitted to be placed on a lawn type grave. The information below details the overall dimensions permitted within a lawn section.

Lawn Type Memorial (headstone)

- **Overall height** of memorial 3'6" (42")
- **Total width** of memorial 3' 6" (42") (inc. any mini kerb added)
- **Total Length** of memorial 1'10" (22") Front to back (inc. any mini kerb or planting area)
- **Max. Thickness** of stone 6"

*The overall height **includes** the foundation*

Your stonemason is aware, NO memorials will be passed for fitting which exceed these dimensions

Cremation Plots (Lawn Type)

- **Overall height** 2'3" (27")
- **Total width** inc. any mini kerbs 2'6" (30")
- **Total length** inc. mini kerb or planting area 1'6" (18") Front to back
- **Max. Thickness** of stone 6"

*The overall height **includes** the foundation*

This is an example of a lawn type memorial with a mini kerb.

Please be advised if you plant, memorialise or put in unauthorised kerbs along the length of the grave space we will either telephone or write to you as the owner of the Exclusive Right of Burial to advise you the **unauthorised** memorialisation must be removed with immediate effect.

If you require further information regarding the contents of this information sheet, please call Coventry Bereavement Services on 02476 97 5520.
