Gardens of Remembrance Memorabilia

To assist with our maintenance of the Gardens of Remembrance please follow the guidelines below:

Please only place cut flowers on the lawns and beds, please remove all wrapping and cellophane.

Please do not place vases, glass jars, or planters on the lawns or rose beds including communal memorial rose bed areas as these could be harmful to others.

Please do not add any additional memorabilia to your leased memorial. This includes such items as extra vases, plants, flower holders, lanterns, cards, balloons, and any additionally inscribed stones and tablets etc.

You are permitted to plant and personalise the border area of an individual Garden. Individual Gardens will usually have a wooden or stone edging border if practical. Please ensure you plant suitable varieties that will not cause the tree or shrub any detrimental effects or overgrow to neighbouring gardens. (***DO NOT PLANT TREES OF ANY VARIETY.***)

Items that are not permitted will be removed and stored for a short period to give families the opportunity to collect them.

If you are unsure about the items permitted within the Gardens of Remembrance, or if you wish to order a memorial or require further assistance,

please contact the Bereavement and Memorial Officer

Tel: 024 76975520
