Dear Sir/Madam

**Freedom of Information Act 2000 (FOIA)**

**Request ID: FOI368654156**

Thank you for your request for information relating to Bridge heights.

You have requested the following information:

**We are now in the process of updating our Atlas again and would like to know if you have any details of heights that have changed in the last 2 years (between spring 2019 & Autumn 2021) then that would be great to be made aware of these please?**

We can confirm that there have been no changes to restricted bridge heights in the authority over the last 2 years.

**If you are now using an online portal or can supply an updated list of all bridge heights in the council area then that also would be useful, if recent changes cannot be sourced.**

Please find attached list of restricted bridge heights in the city.
