Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI372004942

Thank you for your request for information relating to City of Culture .

You have requested the following information:

How many roads Coventry City Council authorised for rolling closures for the June signature opening event of City of Culture?

84 roads were listed in the Temporary Traffic Regulation Order for rolling road closures for the four Godiva processions, but apart from the processions lining up at the start the option to close roads wasn't needed and the processions passed relatively quickly – bearing in mind it was still technically in lockdown with fewer cars on the road.

What are the names of the roads that were eventually closed to allow the opening ceremony to take place throughout the day?

At the end of the processions Priory Street remained closed for a socially distanced event which then finished in Broadgate. Both Priory Street and Broadgate already have restrictions on them reducing vehicle use.
