Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI374398112

Thank you for your request for information relating to Highways - Road and Traffic Schemes.

You have requested the following information:

1. Please can you provide a list of all current and proposed Road and Traffic Schemes within the Council's jurisdiction.

Coventry City Council has a forward programme of all roads and footways that require work across the city however this does not provide indicative dates as sites are re-ranked annually to form the upcoming works programme for the coming year. At this stage in the year, works are currently in the process of being validated on site by engineers before going forward to Cabinet for approval for 2022-23.

The approved programme will be available from the Cabinet meeting section of the website after the meeting which is usually in March and therefore we are advising you as per Section 22 of the FOIA (Information intended for future publication). However, we can provide the current ongoing programme for this financial year (2021-22) which is attached.

In terms of a local safety scheme programme, this was approved on 9th March 2021 and detailed below:

List of Safety schemes:

- Installation of average speed enforcement sites - Working with the West Midlands Police to

identify potential sites to be delivered this year

- A444/ Binley Road: Investigative work relating to possible signalisation
- Beake Avenue: Safety scheme using various measures along route
- Wheelwright Lane: Safety scheme using various measures along route
- Scheme development: To identify and develop designs for sites for the 2020/21 safety scheme programme

Further useful information is also contained in the draft Coventry Transport Strategy that was recently approved by Cabinet for consultation and which is accessible using the link below:

<https://edemocracy.coventry.gov.uk/ieListDocuments.aspx?CId=124&MId=12552&Ver=4>

The link provides access to the strategy itself at Appendix One and the Implementation Plan, which lists a series of planned schemes, as Appendix Two.
