We hold the information which you have asked for, but we have estimated that the cost of meeting your request would exceed the cost limit of £450 specified in the Freedom of Information and Data Protection (Appropriate Limit and Fees Regulations 2004). This represents the estimated cost of one person spending 18 hours or more, in determining whether the information is held, locating, retrieving and extracting it.

This information is not held in a reportable format and would therefore require manual work to review every individual case file involved to collate the information. We expect this to exceed 300 hours work for the 693 clients for both timeframes. This part of your request has been refused under section 12(2) of the Act.
