Dear Sir/Madam

**Environmental Information Regulations 2004 (EIR)  
Request ID: FOI408890090**

Thank you for your request for information relating to littering from vehicles.

You have requested the following information:

**1. In financial years 2018/19, 2019/20, 2020/21 and 2021/22, how many penalty notices have been issued to registered keepers for littering from vehicles.**

The information we hold is not recorded to the level requested and therefore we are advising you as per EIR Regulation 12(4)(a) - Information not held.

To clarify, we do issue fixed penalties for littering from a vehicle where we can prove the driver, or an honest passenger admits to the offence. However, cases are not recorded on our systems as 'specifically from a vehicle'; these are categorised under the offence of littering. We also issue fixed penalties for low level fly tipping from vehicles too, but again it is not recorded to this level on our systems.

To advise and assist you further, information about environmental fixed penalty notices is accessible using the following link:

This exemption is not subject to the public interest test.
