11 July 2022

Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI428652308

Thank you for your request for information relating to non-school alternative provider.

You have requested the following information:

Can you provide me with a breakdown of each non-school alternative provider used by your council over the last five years.

I would like to know:

- 1) how many pupils in total were sent to each alternative provider**
- 2) how much each provision cost in total**

If possible, your return should include data for the following academic years: 2017-18; 2018-19; 2019-20; 2020-21; 2021-22.

When you give data for the year, please provide data for the overall number of pupils and cost over the entire year, not just a snapshot view of the data.

By Alternative Provision, I mean any establishment you would include on the AP Census that is not a school, either independent or state maintained. This could include but isn't limited to 1:1 tuition, work experience; other training.

Please provide the information as listed below in the Excel sheet attached.

Academic year
Provider name
UK PRN (where applicable)
Number of pupils (in the academic year)
£ spent

In response to your request, we hold the information which you have asked for, but we have estimated that the cost of meeting your request would exceed the cost limit of £450 specified in the Freedom of Information and Data Protection (Appropriate Limit and Fees Regulations 2004). This represents the estimated cost of one person spending 18 hours or more, in determining whether the information is held, locating, retrieving and extracting it.

We do not hold the information for the whole of the Council in a reportable format. In order to collate the information, an officer would have to manually review each child's record to determine what information is held and compile the relevant data. Your request has therefore been refused under section 12(2) of the Act.

However, in order to fulfil our obligations under Section 16 of the FOI Act to advise and assist you, we can provide information from our Work-Related Learning Team for the services they commission. This is contained in the attached spreadsheet where the suppliers listed as "Registered" are OFSTED registered.

Please note, the Work-Related Learning data will not correlate directly with the AP census data due to the recording criteria specifications required and set out by the Department of Education. The majority of these children will be on the roll of a school and therefore not included on the AP census.

You may also find the following website link useful where you can access an alternative provision section:

<https://explore-education-statistics.service.gov.uk/data-catalogue/school-pupils-and-their-characteristics>

The supply of information in response to a FOI/EIR request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs. Please contact us if you wish to use the information for any other purpose.

For information, we publish a variety of information such as: [FOI/EIR Disclosure Log](#), [Publication Scheme](#), [Facts about Coventry](#) and [Open Data](#) that you may find of useful if you are looking for information in the future.

If you are unhappy with the handling of your request, you can ask us to review our response. Requests for reviews should be submitted within 40 days of the date of receipt of our response to your original request – email: infogov@coventry.gov.uk

If you are unhappy with the outcome of our review, you can write to the Information Commissioner, who can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane,

Wilmslow, Cheshire, SK9 5AF or email icocasework@ico.org.uk.

Please remember to quote the reference number above in your response.

Yours faithfully

Information Governance
