Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI437541550

Thank you for your request for information relating to Weedkiller 2022.

You have requested the following information:

In the areas of CV4 9FQ and vicinity, what is the weedkiller product that has been used in the year 2022, on the public footpath and verges. Has there been a change to the products used in previous years?

We can advise that our contractors spray the highway and footpaths with Rosate 360TF. The contractor however does not spray any grassed areas. The area teams also selectively spray certain obstacles. They use Roundup which is also glyphosate based.

You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission.
