

PREVENT REFERRALS

It is always best to share your concerns, no matter how small, to ensure appropriate safeguarding support can be provided. If you hold on to information, you are holding on to the risk.

NOTICE

Have you noticed behaviour that concerns you, or signs that someone may need support?

CHECK

You can check your concerns by contacting your Prevent team.

SHARE

Complete the Prevent referral form at www.coventry.gov.uk/preventreferralform or scan the QR code below.

SUPPORT

- ▶ The multi-agency Channel will discuss how the referred person can best be supported
- ▶ We will seek consent from the referred person to offer our support
- ▶ Bespoke Channel Support and Intervention Plan is implemented
- ▶ 6-month and 12-month post-support reviews are held

ASSESS

- ▶ The information provided in your referral form will be assessed
- ▶ This may progress to our Channel panel, or where appropriate, signposted to other support services
- ▶ You will only be contacted for further information if required

If you require any advice or support with completing the form, we are here to help. Contact us at prevent@coventry.gov.uk
