Dear Sir/Madam

**Freedom of Information Act 2000 (FOIA)**

**Request ID: FOI470468957**

Thank you for your request for information relating to Up to date surface water drainage asset register.

You have requested the following information:

**Q1 - My understanding is that every LLFA and as such has to produce an asset register, under the terms of the Flood and Water Management Act of 2010. Please let me know if I'm incorrect on that.**

Correct.

**Question 2 - As such, I'm requesting a copy of your council's most recent surface water drainage asset register. I would like this information presented in an Excel friendly format (.xlsx or similar). I would like the following information: Details of the type of asset, details of the location of the asset (including the address and easting and northing), the condition of each asset, the owner of each asset, any survey comments from the most recent inspection.**

We hold the information which you have asked for but we have estimated that the cost of meeting your request would exceed the cost limit of £450 specified in the Freedom of Information and Data Protection (Appropriate Limit and Fees Regulations 2004). This represents the estimated cost of one person spending 18 hours or more, in determining whether the information is held, locating, retrieving and extracting it.

Whilst we hold the information, we do not hold the information in the way that it has been requested ie. excel/ excel friendly format. Our Asset Register is held in GIS and is populated by a very large volume of assets within the 98 square kilometre administration area. We are unable to provide or extract the information requested and provide this within the time/cost limits of FOI. Your request has therefore been refused under section 12(2) of the Act.

For information, we publish a variety of information such as: [FOI/EIR Disclosure Log](#), [Publication Scheme](#), [Facts about Coventry](#) and [Open Data](#) that you may find of useful if you are looking for information in the future.

If you are unhappy with the handling of your request, you can ask us to review our response. Requests for reviews should be submitted within 40 days of the date of receipt of our response to your original request – email: [infogov@coventry.gov.uk](mailto:infogov@coventry.gov.uk)

If you are unhappy with the outcome of our review, you can write to the Information Commissioner, who can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or email [icocasework@ico.org.uk](mailto:icocasework@ico.org.uk).

Please remember to quote the reference number above in your response.

Yours faithfully
