To all Parents and Carers

28 February 2023

As you will be aware 1st March 2023 has been designated by the National Education Union as a day of industrial action and I am writing to assure you that we will maintain provision for your child on this day.

We are lucky to have a talented and dedicated team here at CELC and I know that any decision made to strike has been taken after full consideration and with the current plight of education at its heart. Lessons will continue in the normal manner at the CELC.

There are some upcoming strike days planned and I will make contact nearer the time with our school response. The proposed dates are 15th March and 16th March 2023. In the meantime, can I thank all Parents and Carers for your continued support.

Yours sincerely
