Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI490584385

Thank you for your request for information relating to Reducing energy consumption.

You have requested the following information:

..we are looking at ways of distributing information to households on how to reduce energy consumption. This would include things like government grants such as the Home Upgrade Grant and ECO4. Here are some of the questions that we are currently exploring, and we would greatly appreciate your input:

- 1. What methods do you utilise to distribute information regarding home energy efficiency (such as grants or energy saving advice)? e.g. Letters, phone calls etc**
- 2. Do you specifically target this at low-income households, or do you distribute this to every household in your area?**
- 3. Would you be able to share any of the approximate annual costs involved in these distribution methods?**

We can confirm that we hold this information and it is accessible to you via the Council website, please use the following link:-
