12 May 2023

Dear Sir/Madam

**Freedom of Information Act 2000 (FOIA)**

**Request ID: FOI514821783**

Thank you for your request for information relating to EV Charging points.

You have requested the following information:

**1. How many public charging outlets or chargepoints for electric or plug-in hybrid vehicles have you installed to date in your local authority? Please provide figures to the nearest possible date and include the month and the year the figures correspond to.**

| 2018 | 2019 | 2020 | 2021 | 2022 | 2022/23 |
|------|------|------|------|------|---------|
| 6    | 196  | 142  | 122  | 276  | 286     |

**2. For Question 1, how many of the public charging outlets or chargepoints are those classed as On-Street Residential Chargepoints, located on-street in residential streets or areas?**

There are 953 public charging sockets that are classed as On-Street Residential Chargepoints, located on-street in residential streets.

**3. How many public charging outlets or chargepoints for electric or plug-in hybrid vehicles do you plan to install in the current fiscal year or the current calendar year? Please provide figures to whichever timeframe corresponds with your reporting.**

Currently 298 charging sockets are being installed, due to be operational by end of 2023. There is

a proposal to install further 387 charging sockets, operational by end of 2024.

| 2023 | 2024 |
|------|------|
| 298  | 837  |

**4. For Question 3, how many of the planned public charging outlets or chargepoints are classed as On-Street Residential Chargepoints, to be installed in on-street residential areas?**

1,135 proposed for installation in 2023 and 2024 are all on-street and in residential areas.

**5. Do you have a published strategy for On-Street Residential charging infrastructure? Yes/no**

Yes, the Council has a Transport Strategy that has been approved by the full Council on 6th December 2022. This includes the Council's overall policy framework for all transport provision including electric vehicle infrastructure.

**6. Do you have a dedicated Policy Officer (or equivalent) responsible for your electric vehicle charging infrastructure? Yes / No**

Yes.

**7. Has your local authority submitted an application or multiple applications for the On-Street Residential Chargepoint Scheme (ORCS)?**

Yes.

**8. If yes to Question7, how much funding has the local authority applied for in total? The figures can include funding yet to be received.**

The Council will have received £6.4m for eight applications that have been approved to date for all the operational and proposed on-street residential charging sockets.

The supply of information in response to a FOI/EIR request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs. Please contact us if you wish to use the information for any other purpose.

For information, we publish a variety of information such as: [FOI/EIR Disclosure Log](#), [Publication Scheme](#), [Facts about Coventry](#) and [Open Data](#) that you may find of useful if you are looking for information in the future.

If you are unhappy with the handling of your request, you can ask us to review our response. Requests for reviews should be submitted within 40 days of the date of receipt of our response to your original request – email: [infogov@coventry.gov.uk](mailto:infogov@coventry.gov.uk)

If you are unhappy with the outcome of our review, you can write to the Information Commissioner, who can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or email [icocasework@ico.org.uk](mailto:icocasework@ico.org.uk).

Please remember to quote the reference number above in your response.

Yours faithfully
