Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI532256729

Thank you for your request for information relating to Microsoft Software Licensing Information Request.

You have requested the following information:

Thank you for your response to my FOI request reference FOI510469800 on May 24, your assistance is appreciated.

Your response was simply based on the latest version of the Microsoft Product Terms available on their website. Consequently, these product terms may not be relevant to the time the council migrated in December 2015. I require you, please, to ask the people who negotiated the move back in 2015 and ask them what the product terms looked like then. Alternatively please provide us with copies of any documents which go to your understanding of your right to sell your perpetual licences in December 2015.

In response to your request, we confirm that we do not hold this information and are informing you as per Section 1(1) of the Act. We do not hold a copy of the product terms relevant to the migration period which occurred in December 2015. Additionally, please be advised that the individuals involved in the original negotiations no longer work for Coventry City Council.

For information, we publish a variety of information such as: [FOI/EIR Disclosure Log](#), [Publication Scheme](#), [Facts about Coventry](#) and [Open Data](#) that you may find of useful if you are looking for information in the future.

If you are unhappy with the handling of your request, you can ask us to review our response.

Requests for reviews should be submitted within 40 days of the date of receipt of our response to your original request – email: infogov@coventry.gov.uk

If you are unhappy with the outcome of our review, you can write to the Information Commissioner, who can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or email icocasework@ico.org.uk.

Please remember to quote the reference number above in your response.

Yours faithfully
