

Coventry City Council Apprenticeship Levy Fund

Coventry City Council Apprenticeship Levy Fund

Have you wanted to upskill your existing employees via apprenticeships but not been able to as the cost has been prohibitive?

Coventry City Council are providing funding support to cover 100% of apprenticeship training fees via its Apprenticeship Levy Transfer Programme.

Funding is available to support eligible employers based in the West Midlands Combined Authority area.

Requests from employers in Coventry and Coventry employees will be prioritised. Depending on demand we will support applications from across the WMCA and we will prioritise funding for employees from the following groups:

- **Looked After Children or Care leavers**
- **Young People (16-24)**
- **People with disabilities**
- **People from minority ethnic backgrounds**

For further information and to apply, please download the application form from the link below:
