Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI535743606

Thank you for your request for information relating to PRU capacity.

You have requested the following information:

The total capacity of Pupil Referral Units in Coventry at the date of the May 2023 census and the date of the January 2023 census. For the same dates could you stipulate the total number of pupil enrolments in Pupil referral Units within your council including both single registered and dual registered pupils. This should give me two numbers for each date: first the capacity number (e.g. 100) and second the actual number of enrolments (e.g. 80).

Because of the nature of single and dual registered pupils, if possible could you include a third number for each date – the number of full-time equivalents on-roll. If your PRU does outreach into schools, could you also include this number and add it to the number of full-time equivalents enrolled with the PRU.

In response to your request, we refer you to the attached document.

Please note that the census returns for January 2023 and May 2023 are yet to be validated by the Department for Education (DfE).

The supply of information in response to a FOI request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission.
