Dear Sir/Madam

**Freedom of Information Act 2000 (FOIA)**

**Request ID: FOI549376527**

Thank you for your request for information relating to Breakdown of costs of new cycle route all the way along Binley Road.

You have requested the following information:

**1. Any data regarding the research into the potential and actual cycle usage along Binley Road to justify the work.**

The potential usage was estimated for the Business Case:

Previous traffic counts carried out on the corridor show an average of 128 cyclists on a typical day. The Department for Transport's Active Mode Appraisal Toolkit estimates that the provision of a high quality fully segregated cycleway would be expected to increase this to 735.

Although the route is still in the process of completion, initial data recorded for the year indicates that on average there are three times more cyclists on a typical day:

**2023 Average**

Monday: 439

Tuesday: 452

Wednesday: 453

Thursday: 466

Friday: 461

Saturday: 401

Sunday 365

Week: 3,037

The data above is for the western section of Binley Road.
