Dear Sir/Madam

**Environmental Information Regulations 2004 (EIR)  
Request ID: FOI563297230**

Thank you for your request for information relating to Land data sets.

You have requested the following information:

**The majority of our data sets are gathered through open data licences from a range of sources such as the Environment Agency, HMLR, OS & Historic England. However, with high interest from our customer base, there are several data sets that we believe are held directly by you as a local planning authority, including:**

- **Contaminated Land Sites**

We have not declared any sites as being contaminated.

- **Building Use Class Data**

We confirm that we do not hold this information and are advising you as per Regulation 12(4)(a). We do not hold building use class data, however, to assist please see our Annual monitoring report which is published on our website on the following link:

<https://www.coventry.gov.uk/planning-policy/coventry-local-plan-2011-2031/6>

- **Settlement Boundaries**

Unlike a large rural district, we do not have settlement boundaries per se e.g. boundaries of towns

and villages etc.

We understand these data sets should be available publicly and ideally in a geospatial format.

The supply of information in response to a FOI/EIR request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs. Please contact us if you wish to use the information for any other purpose.

For information, we publish a variety of information such as: [FOI/EIR Disclosure Log](#), [Publication Scheme](#), [Facts about Coventry](#) and [Open Data](#) that you may find of useful if you are looking for information in the future.
