Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI555742561

Thank you for your request for information relating to Residential nursing home costs.

You have requested the following information:

1. Currently, how much do Coventry social care pay a residential nursing home a week for a single room for someone whom is elderly and has no savings to cover their own cost?

Please see below the total weekly amount currently paid to both residential and nursing homes for a single room for elderly residents:

Residential homes - £697.42 per week.

Nursing homes - £660.35 (excluding FNC) per week.

Please note that Coventry City Council do not contract based upon room status (single or shared) prices are agreed at point of placement.

2. How many people are social care funding in a residential nursing home with dementia and behavioural problems in 2023?

Please see below the number of long-term placements for residents which receive social care funding for each area, which is inclusive of out of city placements, in 2023:

Residential homes - 559 people.

Nursing homes - 229 people.

Please note that placements are agreed with providers based on the needs of the person,

therefore we do not specifically list placements with dementia and behavioural needs, many providers in which are commissioned take both residential and dementia placements.
