Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI558417422

Thank you for your request for information relating to Election result tabulation.

You have requested the following information:

I am reaching out with an FOI request for polling district or ward-level election results for any general elections for which they can be tabulated. I am agnostic about whether these results include postal votes or not, and in fact I believe the latter is necessary as postal votes probably cannot be assigned to any particular ward. I am also aware that some degree of vote-mixing is done at the polling district level. I am requesting this data for use in my dissertation.

In response to your request, we confirm we do not hold this information and are informing you as per Section 1(1) of the Act. We do not record polling district or ward level Parliamentary results on our system.

However, to advise and assist you, the only results for Parliamentary elections are by constituency which are published on the Council website and is available for you to access. Please use the below link:

For information, we publish a variety of information such as: [FOI/EIR Disclosure Log](#), [Publication Scheme](#), [Facts about Coventry](#) and [Open Data](#) that you may find of useful if you are looking for information in the future.

If you are unhappy with the handling of your request, you can ask us to review our response. Requests for reviews should be submitted within 40 days of the date of receipt of our response to your original request – email: infogov@coventry.gov.uk

If you are unhappy with the outcome of our review, you can write to the Information Commissioner, who can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or email icocasework@ico.org.uk.

Please remember to quote the reference number above in your response.

Yours faithfully
