Dear Sir/Madam

**Environmental Information Regulations 2004 (EIR)
Request ID: FOI577945338**

Thank you for your request for information relating to ULEZ.

You have requested the following information:

1. Details of any internal communications regarding the implementation of ultra low emission zones or low emission zones in the council area?

Clarification: I am seeking details of any internal communications regarding the implementation of ultra low emission zones or low emission zones in the Council area please.

We confirm that we do not hold this information and are advising you as per Regulation 12(4)(a). Any discussions held whilst developing the Local Air Quality Action Plan were about a Clean Air Zone rather than either a ULEZ or a LEZ. Therefore, we do not have any communications to share in this instance.

For information, we publish a variety of information such as: [FOI/EIR Disclosure Log](#), [Publication Scheme](#), [Facts about Coventry](#) and [Open Data](#) that you may find of useful if you are looking for information in the future.

If you are unhappy with the handling of your request, you can ask us to review our response. Requests for reviews should be submitted within 40 days of the date of receipt of our response to your original request – email: infogov@coventry.gov.uk

If you are unhappy with the outcome of our review, you can write to the Information Commissioner, who can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or email icocasework@ico.org.uk.

Please remember to quote the reference number above in your response.
