Notice is hereby given that Coventry City Council ("the Council"), under the Road Traffic Regulation Act 1984 (as amended), has made the following Experimental Traffic Regulation Order ("the Order"), which come into effect on 26th February 2024.

- The provision of shared use parking bays (for permit holders & short stay parking) with a duration of stay (2 hours) on Vecqueray St and Bramble St
 - The changes made to Grafton Street, amending a 25m length of no waiting, Monday to Saturday 8am-6pm, to no waiting at any time.
- B. Amending of the Red Route scheme on Far Gosford St, which prevents stopping at any time, except in designated waiting and loading areas, by:
- Reducing the duration of limited waiting from 2 hours to 30 minutes, to encourage a turnover of spaces.
 - Overall increasing the number of limited waiting bays.
 - Changing the use of 3 disabled parking bays to limited waiting bays.
 - Changing the use of 1 loading bay to disabled parking.
 - Creating 2 bays for loading 6am-noon and limited waiting (30 minute duration) noon -6pm.
 - Removing approx. 20m of no stopping restriction (double red lines) in the layby outside no.s 72/74 to assist the changes.

The Order will be implemented initially on an experimental basis for eighteen (18) months, after which time it will be reviewed. The Council may then make the Order permanent or abandon it.
