Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI581695395

Thank you for your request for information relating to Decarbonisation/Energy Efficiency Measures in Schools.

You have requested the following information:

1. How many state schools does your council provide funding for?

Following careful consideration, the information you requested falls under the exemption(s) in Section 21 of the Freedom of Information Act 2000, which relates to 'information reasonably accessible to the applicant by other means.'

The exemption applies as the information is published and publicly available to view by accessing the Council website, please use the following link:

<https://www.coventry.gov.uk/schoolcontactdetails>

2. Approximately what %, or how many, of these schools currently have the below measures installed?

- a. Solar Panels: 24%
- b. LED Lighting: Exact amount unknown but most.
- c. EV Charging Points: 0%

3. For the above points, if a definitive number is not available, it would be useful to know the number of Public Sector Decarbonisation Scheme grants awarded to your schools in each of the last 3 years and how many of these included the above measures

We have had one successful PSDS grant award in Phase 1 for schools that have targeted lighting and solar panels on 6 schools. Subsequent PSDS grant schemes no longer provide funding towards these measures.
