Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI580368451

Thank you for your request for information relating to Planning Appeals.

You have requested the following information:

1. I would like to request the amount of money spent deciding on planning appeals in this local authority from the beginning of 2010 to the present day, or as recent as the data goes. This should be in a yearly format.

We confirm that we do not hold this information and are advising you as per Section 1(1) of the Act. We do not hold that information as part of the planning record.

2. I would also like data on what percentage of planning decisions went to appeal, AND what percentage of appeals were successful. This should be in a yearly format.

We can provide data from 2011 onwards which is contained in the attached report. To assist, we advise that we will be shortly implementing improved reporting tools which will allow us to extract data going back to 2010. This information may be requested after April as new FOI request.

The supply of information in response to a FOI/EIR request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs. Please contact us if you wish to use the information for any other purpose.

For information, we publish a variety of information such as: [FOI/EIR Disclosure Log](#), [Publication Scheme](#), [Facts about Coventry](#) and [Open Data](#) that you may find of useful if you are looking for information in the future.

If you are unhappy with the handling of your request, you can ask us to review our response. Requests for reviews should be submitted within 40 days of the date of receipt of our response to your original request – email: infogov@coventry.gov.uk
