Dear Sir/Madam

**Environmental Information Regulations 2004 (EIR)
Request ID: FOI597569230**

Thank you for your request for information relating to total spent on potholes.

You have requested the following information:

The National Highways definition of the Local Road Network is that portion of the Road Network for which a Local Government is responsible, and is eligible for funding from the State Government to operate and maintain.

With this in mind, for the months of January through to December 2023 and - if available - for the first 3 months of 2024, please disclose:

The total amount of money spent by your council on road maintenance, relating directly to pothole reports and repairs across your Local Road Network.

Although the request is for calendar years the information provided is based on the public sector financial year which starts from April to March.

Two years have been provided as information relating to January 2023 is covered in the financial year 2022/23 which would be difficult to separate. The 2023/24 financial year covers April 2023 to March 2024.

Financial Year	Actuals
2022-2023	£2,301,100
2023-2024	£1,759,281
