Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI598071239

Thank you for your request for information relating to video productions for information and publicity.

You have requested the following information:

I would like to know how much the council spent on video productions fronted by elected Councillors in the last year.

The vast majority of videos involving councillors are shot by officers meaning there is no additional cost in creating the content as the shooting, editing and production is done in-house. However, over the last year officers have not been able to cover every occasion and a total of £990 was spent to cover those gaps.

The supply of information in response to a FOI/EIR request does not confer an automatic right to re-use the information. You can use any information supplied for the purposes of private study and non-commercial research without requiring further permission. Similarly, information supplied can also be re-used for the purposes of news reporting. An exception to this is photographs. Please contact us if you wish to use the information for any other purpose.

For information, we publish a variety of information such as: [FOI/EIR Disclosure Log](#), [Publication Scheme](#), [Facts about Coventry](#) and [Open Data](#) that you may find of useful if you are looking for information in the future.

If you are unhappy with the handling of your request, you can ask us to review our response.

Requests for reviews should be submitted within 40 days of the date of receipt of our response to your original request – email: infogov@coventry.gov.uk

If you are unhappy with the outcome of our review, you can write to the Information Commissioner, who can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or email icocasework@ico.org.uk.

Please remember to quote the reference number above in your response.

Yours faithfully

Information Governance
