Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI602219068

Thank you for your request for information relating to Low traffic neighbourhood (LTN).

You have requested the following information:

Sustrans defines a low traffic neighbourhood (LTN) as a scheme where motor vehicle traffic in residential streets is greatly reduced. I recognise that the nomenclature for traffic-reducing schemes varies between different councils, and that 'Active Travel', 'Clean Air' or 'Low Traffic' neighbourhoods are all examples of traffic-reducing schemes, but not an exhaustive list.

With this in mind

1. please list the name/location of every LTN, traffic-reducing scheme or initiative that is/was primarily or partially intended as such scheme which is in operation or has operated within your council boundary from January 2020 to the present day this request is processed.

2. Please, for each scheme, would you disclose:

a. any report that provides the meeting minutes (including online) where schemes were discussed and agreed.

b. any reports on the efficacy of such schemes.

We advise the City Council's transport strategy can be viewed using the following link:
<https://www.coventry.gov.uk/transport-strategy-2>

This sets out the Council's transport programme, as set out in the implementation plan section of the strategy.

Many of the schemes within this programme are aimed at supporting sustainable and active travel, improving safety for all road users, improving air quality and generally promoting a safe and sustainable transport system within the city of Coventry.

The detailed transport capital programme for 2024/25 is summarised within the report to Cabinet on 12th March 2024, which can be viewed using the following link:

<https://edemocracy.coventry.gov.uk/documents/s59791/Transport%20and%20Highways%20Maintenace%2025.pdf>

Together, these documents will provide you the information you need about the programmes being brought forward by the Council.

Details of individual projects and schemes can also be viewed on the Council's website at www.coventry.gov.uk
