RE: GCSE Results Day 2024

DATE: 10 June 2024

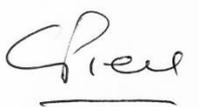

Dear Parent/Carer,

I can confirm that GCSE results will be released to students on **Thursday 22 August 2024** and Herald Learning Centre will be open from **09:30 to 11:30** on this day for students to collect their results.

Any results not collected from school will be posted out to you. However, colleges will be expecting students to take their results in as evidence for their chosen courses on 22 August; not doing this could jeopardise college course placements.

School staff will be present on site to discuss results, together with colleagues from Prospects careers service, who can offer advice and guidance on students' next steps.

Yours faithfully,

Cathy Pierce
