Dear Parent/Carer,

Register for a FREE SEND Family Experience this Summer holiday!

I am writing to let you know that your child(ren) are eligible to access free holiday activities and food during the Summer school holiday period, from Monday 22nd July to Sunday 1st September, as part of the Holiday Activities & Food (HAF) Programme.

At Coventry HAF, we recognise how difficult it can be to find holiday clubs that can provide the level of support and care required for some children and young people with special educational needs and disabilities (SEND). **That's why as part of our Summer Fun offer this Summer holiday, we're offering SEND Family Experiences to provide your whole family (parents/carers and siblings) the opportunity to attend a HAF experience for free!**

Previous family experiences have included day trips to Twycross Zoo, Stratford Butterfly Farm, tickets for incredible theatre performances, family swimming sessions, sensory play days and much more, all with food provided.

All you need to do to ensure you can register for a SEND Family Experience is:

1. Log in to or create your Coventry City Council My Account
2. Create a Coventry City Council HAF Account so that you can register for our amazing holiday experiences when bookings open next month.

To set up your account, simply register online at www.myaccount.coventry.gov.uk/service/Coventry_HAF or scan this QR code:

You will require the HAF code(s) below to create your HAF account.

More information about our holiday experiences will be emailed to you in June.
