Summary

At Progressive Training, we offer students the opportunity to attain a Level 2 Certificate in Hair and Beauty. Taught in our on site salon by a qualified Trainer. This course builds a foundation of knowledge and skills to go on to a career in

the sector, secure an apprenticeship, or continue further education in a specific field.

We offer a 2- year course that covers a range of topics, which include the practical experience needed to develop a wide range of hair and beauty skills, but providing additional focus on essential soft skills, career aspiration, and personal and professional development. Year 1, students can attain a Level 1 qualification. In year 2, students can choose to progress to a Level 2 qualification. We recommend students complete both years, however, each year does provide the student with a recognisable qualification and can be taken separately.

Course Timeline

Year 1

In year 1 students will build a portfolio of skills and experience having utilised the taught skills under the syllabus. The breakdown of the units covered in this course can be found below, as well as the evidence required to successfully complete them.

Key Insights:

- Classroom-based teaching alongside practical barbering and grooming experience in Progressive's new bespoke grooming parlour, to provide a tailored training experience.
- Practical experience includes hair styling, make-up, manicure and nail techniques to understand and explore a wide range of specialisms within the sector.
- Development of an evidence-driven professional portfolio, in line with a personal career plan.
- Essential transferable skills surrounding communication and customer service ahead of experience in the sector.
- Fundamental understanding of key health and safety requirements, legislation, responsibilities, and good practice.
