Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)

Request ID: FOI613447396

Thank you for your request for information relating to Dropped kerb works.

You have requested the following information:

1. How many Coventry council approved suppliers you have that can work in Coventry to complete dropped kerb works.

The number of contractors that can complete this work will vary however at the moment we have around 10 contractors that can carry out this work.

2. I would like to know where Swift Pave Ltd falls into within your approved / contracted section within your dropped kerb approved suppliers.

Coventry City Council does not hold a list of private contractors as this is regularly changing. As we must remain impartial, contractors are not placed them in order of merit. To assist, the Council's procurement policy and list of contractors is available via our website:

<https://www.coventry.gov.uk/contractsregister>

All contractors advertise independently i.e. social media or via a web page that belongs to the contractor.

3. I would also like to know how many licences have been granted to Swift Pave Ltd for the years 2023 /2024 . And also, what types of licences have been granted ie; commercial /

domestic etc.

For the year of 2023 Swift Pave Ltd requested 29 licences to carry out work on the public highway in Coventry. For the year of 2024 they have requested 27 up to the date of 10 June 2024. The licences that have been granted are for domestic crossings.
